THE DRESS GOODS DEPARTMENT OF GRUNEBAUM BROS., 1309 FARNAM

Is the most complete and attractive one in Omaha, and embraces the latest productions in European and American fabrics, in such bewildering array that the most fastidious must acknowledge that ours is

The Dress Goods House of the City.

It would be a waste of words, pen and print could not do justice to all its immensity. Anticipating an extraordinary good fall trade, but owing to the backwardness of the season, we find ourselves with an unusual large stock on our hand, which we will turn into money at the shortest period possible, we have therefore decided to offer unheard of bargains in all classes of dress goods, from the cheapest American goods to the finest imported fabrics.

EVERY PIECE MARKED DOWN.

THIS SALE INCLUDES SILKS, SATINS, VELVETS & PLUSHES.

In fact every fabric used for dress wear.
