its hands in the form of the Marine hospital at Eric, which the state proposes to get rid of by presenting it to Uncle Sam.

The legislature at its late regular session appropriated \$2,000 for the repair of the institution, and the same act authorized the state to tender the property to the United States government. The formal proffer of the property was made on Mon day, and in case it is accepted, will be transferred one year from the date of its acceptance.—Cleveland Leader.

Send the marine elephant along to the transferred to Kearney.

SPENCER, of Alabama-Dakota-Nevada has landed safely at Washington. And now the question is what will Attorney General Brewster do with this white ele phant? Just what use Spencer is now, when the cases are disposed of, is not so clear, but they have him. Aud he tells a marvelous story. It is that Carfield promised he should not be called. This seems to tally with Dorsey's story that he was not to be tried. The singular part of the affair is that when called the exsenator could not be found. He was very busy roaming around just when needed And when not needed he is captured and brought to Washington. What for? It is said to be bound over to appear if he should again be wanted! This seemslike very funny justice. The ins and outs of justice at Washington are very singular.

BETSY and the baby have overcome Sergeant Mason's hankering after notoriety. He has declined all offers from that slavery will be restored. the prodigal son. Longstreet, who was educated and reared at West Point, turned traitor in 1861, led the codfederates state of Beatrice, and let it be formally in their onslaughts on Pope at Bull Run, invaded Pennsylvania with Lee's army and mowed down thousands of union soldiers at Gettysburg. Longstreet held a commission under Grant, and holds the most lucrative office in Georgia now. Mosby, the guerilly chief, represents this government in China as its accredited consul general. But when Jno.G.Carlisle, who never raised his arm against the government was brought forward for the position of speaker, the cry went forth that he must stand back because he was born and raised in Kentucky. Would anybody have raised that objection if it had been Judge Harlan, of the supreme court, who was appointed from Kentucky. It may have been indiscreet for southern members to resent the insult to their section, but it was manly and honorable. What else could they do? So far as southern supremacy is concerned there would be as much objection to a southern man for speaker twenty years hence as there is now. Nobody pretends

> Belt railway for a similar reason. "I have severed my southern raiload connections, and am coming north nce more," was the remark made the ther day to the BEE's Man-About-Town by Col. J. M. Eddy, while in Omaha on brief visit, Col. Eddy, who has been of the M. K. & T. and Texas Pacific railroads, said. "I have had all I want of the south, and want to get back to God's my permanent home eventually. I always did like Omaha, It is right along, and the many solid business buildings and the numerous private resibeing displayed in the architecture of the buildings, and particularly so among the dwelling houses. The architecture of variety and a great deal of originality of design. It all goes to show that Omaha refined in their ideas, and this is accounted for by the accumulation of wealth formation on the subject.

-I see that Charley Goodrich gave you a little chapter of history concerning the street railway last week," said Mr. Poppleton to The Bee Man About Town. | who has been on duty in the Bismarck very last acts of the last territorial legisin time they are regarded as correct, and thus mistakes creep into our history. To dler, John McCormick, Augustus Kountze, Wm. Ruth, J. Frank Coffman, A. J. Hanscom and David Butler. Of these men not one has now any interest in the street railway."

ing Church. In answer to an inquiry as mers. to the alleged amicable settlement of the Belt railway controversy, Mr. John D. regards this proposed amendment as a will be no kelt railway track in the morning, but don't give me away.' Ten minutes later Church Howe reported theme for the newspapers of the folderalong the Belt railway track Howe, who had leaaned the result of his have you? 'Oh, no! certainly not,' replied the honest granger, who next morning learned that he had been sold. Church, however, claims that it was really the intention of the Chicago, Minneapolis, St. Paul & Omaha folks to tear up the Belt railway track, and that it was his information that checkmated the movement. He says that John D., when he found that he had been beaten, tried to saddle the joke on him. But I know FRANK HATTON'S Washington paper, John D. too well to believe that he which has been the organ of the Virginia | would give away anything to Church Howe He is too well acquainted with Church.

-"The BEE'shistory concerning the lican party during the past two years has building of the Union Pacific railroad, been that of a friendly ally. Morse, displayed in publishing the double-sheet now general passenger agent of the Union Pacific, was the manager of the Council Bluffs telegraph office. The Barkalows, now the general news agents of the Union Pacific, carried on a book and stationery store on Thirteenth street. leaves a vacancy. Mr. Hamer will now Capt. Swobe, who is now the boss of that part of the dummy train used for the transportation of teams and vehicles, was a pilot on one of the ferry-boats."

WEST OF THE MISSOURI. The new state of Dakota is likely to be nursed with a bottle. The opposition of temperance zealots who seek constitutional prohibition or nothing, made a very insignificant showing in the vote against the new constitution. A strong lobby will soon move on Congress and stay with it till victory crowns their efwide, north and south. It will contain over 2,170 townships. Each township

zealous minister and see whether he ever so far forgets himself as to set his feet on value. From the sale of this one-eighth the unholy asphalt pavement. He should \$3,472,000 would be realized, which, set the example to his flock and patronize placed at interest at 4 per cent, would cate the youth of the new state. Few, if any, new states have been so highly favored in the matter of education-an inestimable blessing to the present and coming generations.

The enermous frauds practised under the homestead and pre-emption laws or some time the general superintendent throughout the west calls for a radical change in these laws to prevent speculators from gobbling up the remainder of country again. I hope to make Omaha the public domain. At the last session of congress the house by a large inserted a clause in the sundry civilservice bill repealing the pre-emption dences convince me that everybody is law, but the clause was stricken out in prospering here. A great deal of taste is the senate. It is probable that the secretary of the interior will approve the recommendation of the commissioner of the the last year or two shows a pleasing general land office governing the repeal of the law referred to. When the subject comes up in congress the land office will furnish a great deal of interesting in-

The practical working of the pre-emption law and the timber culture act has been investigated during the past few months by spec'al agents of the interior department. Special Agent Bickford. 'I noticed that he was wrong in his land district, in Dakon, during the past six months, says that probably one-half of the public lands disposed of in any one year are irregularly taken. The lands thus obtained fall into the hands of the settlers, but they are obliged to pay "sweat money" in order to get them, and this puts the poor man at a disadvantage and retards settlement.

"I have found most everywhere," sava Bickford, "surprising laxity in meeting the conditions required of settlers, and this seemed largely due to the misinfor-mation and bad advice from attorneys. So little regard is paid to the legal requirements that in my belief a large portion of the townships in the Bismarck districts, which according to land office plats, are fully settled, but where the lands have not passed out of first hands have, on the average, not exceeding fifteen actual settlers each."

"The honest settlers bemoan the constant evasions of the law which throw adjoining lands into the hands of non-resident speculators, hinder settlement and retard the development of the country. The bona fide settlers want neighbors schools, churches, bridges and the com-"The Union Pacific is a cunning forts and conveniences of civilization corporation," said a railroad man the other day. "In order to learn the movements of another company it sent for a viduals, the half of whom are non-resiments of another company it sent for a granger, named Church Howe, from dents, I suppose in the Bismarck land Nemaha county, to come to Omaha and district there are about as many lawyers pump John D.
