As usual it is raised The Resgan bill prohibits railroad c m- house. Senator Bayard is in his prime, a panies from charging more for a shorter intile atouter and grayer as the years go than for a longer haul, and treats pool-by, but still a young-looking and hand-bung for the purpose of maintaining freights.

Anhure will not be with the intention of having that the last part of his public career, but rather as the beginning of a better held upon politics. There is nothing "magnetio" about him, but four years a secre ers and jobbers, continues to earn its pay tary of the treasury will give hims stronproval at the hands of a monopoly ride en from the reilroads by abusing Senator ger grip upon the demonstrate organization Van Wyck, whose voice is constantly and he will know how to profit by it and in case the campaign of 1888 should reised in behalf of the people. We are not develop according to his wishes De not at all surprised at this, nor are we aware can always be calculated upon to surprised at the Journal's pathetic ap- return him to the renate on thort notice.

A Plea for the People.

The speech of Mr. Van Wyck in the ple against the railroads and the powerful monopolies of the land.

The voice of this industrious statesman THE Cogswell fountains in cities that is raised on behalf of those who are supdeclined to advertise the giver, by having posed to have no redress against the his bust on top of the monstrosity in power of millions of money as exercised masonry, show some variety in the head in state legislatures and in the very halls the lead in the New York senatorial race, is provided for, it means delay in the matand the indications now are that he will ten of railway regulation. Senator Caland the indications now are that he will ter of railway regulation. Senator Cul- with a sepulchral urn, Washington sire it have to rescue the people from the parades a tall Japanese bird in cheap power of these corporations, that it has bronzs with a reed at its side, and a now the opportunity in the bill of Mr. Reagan pending before the grave setgniors of the upper house. It remains to

It is highly probable that no action bill in the senate this session of congress. Mr. Reagan does not him elf expect thir. But that something must be done, and Ir ever a legislator was completely sat will done, if not by the present senate tlemen who are so much exercised lest the protection of the law should be denied the railroads, and that the Jay Goulds talk differently when this very matter shall have become the all-als rbing isene of the hour, which is not far off.

The railroads are doubly guilty. The wretched subterfuges upon which they have their claims to millions of acres of unearned lands of the public do nain are as infamous as the special plea of the thief caught in the set; and their refusal to so modify carrying rates that the west ern farmer may find a market for his grain ought to be summarily and erimmally punished. Notwithstanding the boast of the railway kings as to what their money has done in the congress of the nation, the day of reckoning which is sure to come will find them shorn of

the power of doing any more mischief. For twenty years the Goulds, Vander bilts and Huntingtons have grown rich, insolent and defiant through the open and land, and Mr. Van Wyck somenishes the on the household goods. senate that it is high time to ces to it It is indeed high time; and the senate

could immortalize itself by taking even Mr. Reagan by susprise by passing his

Gen, Grant's Promotion.

To the Editor of the Globe-Democrat: Sr. Louis, January 14, 1885. - DidaU. S. Grant wear the title of "general" be-

The grades in the army are in the order indicated—brigadier general, major neral, lieutenan ngeneral and general Wm. T. Sherman succeeded Grant to the office of lieutenant general when the lat ter was made general, and to the general when the latter became president. Fally H. Sheridan was made lieutament general when Sherman became general. By law the office of general expires with Sherman, and the office of lieutenant general expires with Sheridan. The highest of fice in the army after Sheridan's death

Portia Overruled The Supreme Court of Minois has just hanced down an epinion reversing Portia's celebrated decision in the Saylock case. A railroad company recently sold some land to a farmer, reserving the right served notice on it that it must remove the gravel and nothing alse-no sand, toil, dust or decayed vegetation; for grave only was written in the bong. The conpany brought the case beforethe Supremhe right to remove whittnessesarily went with it. Shylock was unfortunate in not having an appeal to some court of higher jurisdiction, but a vindication even at this late day is something.

The democratic payers of the state are engaged in the landable civil service reform effort of parceling out the local office smong their respective editors. It is times the square oed scribes got a whack as the fat.

The Cook murder trial at Red Cloud ended on the 10th, the jury bringing it a verdict of murder in the second degree, after deliberat-ing twenty two hours. Judge Gaslin immediately sentenced Cook to the penitentiary for life. The verdict is generally satisfactory. The Madison Chronicle says: An old lady,

living ten miles west of Madison, gave as cer-tain young man of bids town a feather pillow and a good, for a New Year's present, and at the same time told him that if he would not marry her daughter she would give the girl on her wedding day, one thousand dollars and a feather bed for a dowry. The young man re-fused the liberal offer. The above was a fact, and the proposition was made in carnest, Johnny Knott, while pulling a cargo of Plattsmouth whisky on the B. & M. track near that city last Monday, collided with the K. C. express and was ditched. His head-

R. C. express and was diched. His headlight was bad'z bruised and his cab splintered.
The cargo wer-minjur d. Johany was sidetracked in the [si] for repaire.
Plattsmouth whisky is like the
fabled "dog in the manger"—what
it cannot kill no picayuce brass mounted tocomotive shall put asunder.

A cold-blooded murder was committed on farm near F-irfield on the afternoon of the 8th. Mrs. Elizabeth Taylor occupies a claim of 80 acres on the line of the B. & M., which there is considerable timber. A nei-ber named Roberts, who thought she had title to the land, cut some of the timber are was hauling it away for fuel when Mrs. Taylo two sens and a hired hand stopped him and shot him dead. The three murderers have ly that a resolution was passed by nearly and Huntingtons may be injured, will them fired the fatal shot. Roberts leaves a a uranimous vote to have nothing to do talk differently when this very matter sickly wife and four children in peor croum-

stances.
Dr. John Linthicum a Swede, partier of C. A. Jockson at Kearney, died very suddenly ten days sgo. By request of his relationships to the days of the standard of the deally ten days ago. By request of his relatives a curoner's jury was empanelled to in nuire into the cause. The coroner's jury's verdict brought out enough to cause it e arcest of Jackson on a charge of being accessory in some way to Linthigum's death. Then Jack-son demanded a full hearing, which resulted in his discharge by Justice Sitting. While the death of Linthigum seems dark and sugpicious, yet there was nothing to hold Jack

A two-stery dwelling houselel nging to the Samuel Evans estate, four miles nowheast from Friend, burned on Saturday atternoon. The building was occupied by Jonah Nignols and family, who had all come to town. It be-ing a pleasant day the neighbors also were nearly all in town. The five was well under way when discovered and the building, to-gether with the content, was totally de-stroyed. The origin of the fire is unknown. contemptu my violation of the law of he There was insurance on the building but none

An awful accident happened about eight An awful accident happened about eight miles north of Kearney on the evening of the 13th. Charles Baker, of Merrifield, Cayaga county, New York, had been for some time visiting his relatives, the Benedict family. He was in histome packing his trunk preparatory to starting home. Soon a pistol shot was heard, and when the folks came into the room the body of young Baker was found lying on the floor, life almost extinct. Near him lay a revolver. The shot entered his him lay a revolver. The shot entered his head immediately in front, over thateyes. The folks think this was purely accidental, as the young man was bright and full of promise and had no cause for suicide.

Vorheer, who wrecked the Camen-Ball train near Hubbell, last June, and who laid in the Paynee jailand tried to hany him elf and Pearman, puts a quietus on those jobbers. The action of the house will meet with universal at proval from the people of this state.

| major general which the earned early in the Paynee jablayd tried to hand him elf while there, was tried and convicted in the district court of Republic county, Kansas, and sent need to imprisonment for fifty years cld the sentence is virtually for life, which is all the extreme Gen.
