### A SWEET SINGER.

'Mme. Ahlander-Bergstrom, a Nebraska Singer, Wins Golden Laurels.

Mme. Ahlander-Bergstrom, who is the wife of Mr. O. Bergstrom, an employe of the Union Pacific company at Gothenberg, Nebraska, received the following Wednesday. flattering notice in the Daily Union, of Rock Island, Illinois:

The appearance of Mme. Ahlander-Bergstrom at Harper's theatre on Thursday evening, on which occasion she gained new laurels, and added to her already well-won fame, suggests some in cidents in the life of this artiste, who has been like her predecessor, Jenny Lind, not insptly called the "Swedish Nightingale."

Singers, like poets, are "born, no made," so it is not strange that like her illustrious countrywom n, Jennie Lind and Christine Nilsson, Mme. Ahlander. Bergstrom e stly evinced the possession of that genius for the stage and marvelous quality of voice, that will place her among the most famous singers in the world. Her first t iumph was gained when, a Musical Union orchestra and a song by mere baby of five, she attended, with her father and mother, a cateche ical lec ute. All who heard her were delighted with the promise she displayed, and insisted the dancing programme opened, which son has now practically come to an end, upon her being given a mu ical education, but her parents opposed the project. After the death of her father she prevailed upon her mother to allow her to attend a musical school, on condition that she would never sing in opera. Mme. Mme. Sasser, C. Smith, H.
