claims that she is trying to blackmail him. It is well known that he has ensending out circulars upon which are disdesvored to sever all relations with her, but that she will not permit this if it is possible to prevent it.

The woman hails from St. Louis, and is known in Omaha, where she lived some months during last year. She has the reputation of being a fast character. She denies that she attempted to shoot Garneau.

The woman says that she first met Gar neau in St. Louis about three years ago when she was only 17 years of age. She kept company with him for some time and in July, 1883, they went to Chicag on a little tirp. She says that they were married while in Chicago, but fails to tell wheresbouts in Chicago or by whom they were married. She says that since that time she has sometimes passed under the name of Mrs Garneau and sometimes otherwise. So the matter stands and the woman

claims that she is Garneau's wife and Garneau claims that she is not. If she ever was his wife she has violated all the marriage vows and is not now entitled to recognition as his wife, if the reports in regard to her are true.

In police court yesterday afternoon the case was called and the plaintiff, Ja\*. Garneau, failed to appear, and the defend-ant was dismissed. The woman will now bring sult against Garneau for false imprisonment.

THE MORNING SESSION. Yesterday W. Hoyle, charged with stealing a shovel from H. Pundt, was brought up for trial. He was discharged as the evidence was not sufficient to warrant the court in holding him. H. H. Picket, for being drunk and disorderly was fined \$5 and costs and was sent up on the hill.

Ed. Ryan was arrested Saturday for creating a disturbance at his home and abusing his wife. He was bailed out of jail and raised a second disturbance and was rearrested. He is now held to awal trial.

George Austin was charged with vagrancy, but proved that he was a labor ing man and was discharged. Wm. Malone was arrest d for stealing a pair of shoes on Tenth street. He is he'd, awaiting an explanation.

Mr. Anders 10, on Six'eanth street, les a suit of clothes Friday night, and yes-terday Officer Green found the clothes in Broderick's second-hand store on Tenth street.
