Mr. George Woodford, the well known temperance lecturer and worker from Illinois, will open his work in this city, by an address and meeting this evening.

Officer Ben Austin has been given the shoulder straps and is now Capt. Austin.

Arrangements are made for a union temperance meeting of the several churches at the Presbyterian church to-morrow evening. Mr. George Woodford of Illinois, will give an address.

The family of the late James Nicholls desire publicly to return honest, hearty thanks to their many friends who have stood so nobly by them in their deep affliction.

An old man, aged 71 years, was yesterday under arrest on suspicion of stealing a tablecloth which he had with him. There being no evidence to support any charge the old man was turned loose.

As my lease expires March 31, and having sold my shoving and counters to be delivered April 1, the goods must go. As they are selling rapidly you must call soon to get your share of the bargains in all our goods now being sold at a sacrifice. H. E. Seaman, 341 Broadway.

Mrs. M. E. Hull's lecture on "Modern Spiritualism" on Thursday evening in Spiritual hall was listened to by a good sized audience. She will give another lecture at the same place by special request on next Tuesday evening. The subject will be duly announced.

One magistrate yesterday refused to marry a couple because he knew the woman, and she could not cook even potatoes, and he did not believe she would make a suitable wife. Such conscientiousness on the part of an official is a novelty.

Sheriff Garrison of Harrison county, was here yesterday and seems quite certain that the two men arrested here for the burglary at Missouri Valley are the very men who are wanted. He took the property found on their persons to Missouri Valley for identification.

Morgan Brothers is the name of the new firm of druggists who will open April 1st in Cy. Danforth's building on Broadway between Seventh and Eighth streets. Mr. Delbert Morgan, who now travels for Harle, Haas & Co., is one of the new firm and Frank Morgan of Burlington, the other.

"Life once begun is unending, going on forever through endless periods of progression." Spiritual circle to-morrow (Sunday) afternoon had evening at 2 and 7:30 o'clock, in spiritual hall. Entrance via stairs on Main and Pearl streets, two doors south of the postoffice. After the circle will be discussed the question of the abolition of the use of money as indispensable to the proper reformation of mankind.

The written work of the pupils of the public schools, the examination papers, etc., have been bound in convenient form for reference, and are at the office of Prof. McNaughton, subject to the inspection of friends and parents. Those interested in the public schools should improve the opportunity of looking over these papers, as by them a good idea can be gained of the character of the work being done by the public schools.

A number of boys, ranging in age from 8 to 10 years, were amusing themselves Thursday evening on Seventh avenue west of Eighth street, firing off revolvers. If parents will not look after their boys the officers should do so. The habit of carrying revolvers by mere "kids" is greatly on the increase, and it is high time that some very sharp measures were taken to put a stop to it.

MORE SCHOOL BUILDINGS. Talk That More Are Needed to Accommodate the Pupils.

The growth of Council Bluffs is showing itself in various ways. Among them is the claim of some of the board of education that, although Council Bluffs has about fourteen large free school buildings, still more are even now needed to accommodate the pupils. About two years ago the Thirteenth avenue school house was built, having three rooms, and accommodates 150 pupils. The Hall school house built three years ago is crowded, and the Third street school house, built last year with six rooms, and accommodations for 300 pupils is so crowded that it will be necessary to change the boundaries, and cause some to attend elsewhere. The new Pierce street school house is filling up so rapidly that it will be filled next term. The Bloomer building can accommodate no more. With these facts, it is urged that steps must soon be taken to put up other buildings.

PERSONAL.

Scott Williams returns to Los Angeles next Monday.

E. D. Lincoln, of Boston, representing a great utility house, was at Bechtel's yesterday.

Mr. Clark, an attorney of Mason City, has been attending the supreme court here, and visiting his brother-in-law, County Recorder Chambers.

Carl Cooper, son-in-law of John Huntington, was here yesterday, on his way to Dakota to again take up life on his homestead, he having been spending the winter at his old home in Oakland. His wife accompanies him.

T. R. Brooks, who for four years has been with A. J. Mandel, leaves his employ to-day, and intends going into Nebraska and take up land there. Will C. Garman, who has been connected with the Home of the Friendless, intends to go with Mr. Brooks. It is understood that Mr. Garman will sever his active connection with the Home, although he will doubtless maintain an interest in it.

Black Burglars.

Yesterday afternoon Judge Aylesworth inquired into the facts of the burglarizing of George Harrington's saloon, for which John Beecham, Junius Sevier and Olie Jackson, all black, were arrested. It appears that Tunc Green, who has skipped for Omaha, got Olie Jackson, who had once worked at Harrington's to tell how the work at Harrington's was fastened, and Olie Jackson had intended to break in there. The night of the burglary Green told Jackson again what he was going to do, and returned to the house where Jackson was, bringing the stolen overcoat, decanter of gin, and a lot of cigars. He sold some of the cigars to Beecham and Sevier, but it did not appear that they knew anything about the burglary. They were discharged, and the judge reserved his decision as to young Jackson, who will in the meantime be held in custody.

From what the others say, it appears that Green is the one who did the work, and the officers are anxious to get him. Green has been going from bad to worse very fast. It was not long since he first attracted public attention by soliciting funds for the colored church and then losing the collection by gambling. Since then he has been arrested on other offenses, and now a heavy charge awaits his return to the city. He is supposed to be lingering in Omaha.

Resolutions of Respect. At a meeting of Council Bluffs lodge, No. 49, I. O. O. F., held on the 16th inst., the following resolutions were adopted:

Whereas, In the dispensation of an all wise Providence, our worthy brother, James Nicholls, has been removed from our midst, therefore be it

Resolved, That the members of this lodge do most sincerely mourn the death of our departed brother, whose lifeless body we have this day committed to its last resting place.

Resolved, That we extend our sincere sympathy and condolence to the family and relatives of our deceased brother in the great loss they have sustained in his death.

Resolved, That as a further mark of respect for our deceased brother, our lodge room be draped in mourning, in the usual manner for thirty days.

Resolved, That these resolutions be entered on our minutes and published in the papers, and that a copy, under the seal of the lodge, be forwarded to the widow of the deceased.

Temperance Workers. All interested in the temperance cause are invited to meet with the temperance alliance committee and George Woodford, of Illinois, at the rooms of the Y. M. C. A. this morning at 11 o'clock. Mr. Woodford has come here to spend a week in the temperance work, and it is desired that the necessary arrangements should be completed this morning.

THE JUDICIAL CONTEST.

Another Postponement to be Made.

Next Monday is the time set for the hearing of the judicial contest in which Judge Aylesworth seeks to get Judge Loebouron's place on the district bench. The case will not, however, come to a hearing then, as an agreement was made that Judge Loebouron would not be obliged to get his testimony together until after the Cross case was tried. This case having hung on longer than was expected, has left no time for Judge Loebouron to prepare for trial, and hence, under the agreement, the case next will be continued to a future date.

If there are any more delays, Judge Loebouron's time will be up before the contest is fairly settled.

The Council Bluffs "Paint Manufacturer company" will be letting orders in a few days. Wait for them.

Dr. S. Mosher, of the Sioux City Chronic Disease Institute, will be at the Scott house in this city, Thursday, April 23. Will attend to patients and all who are afflicted will do well to give him a call. Consultation free.
