FUSIL OIL -Do you know what it is? Ask your Physician DEADLY POISON. Positive Sure Cure for Malaria, Pulmonary Complaints, Indigestion, Nervous Prostration, Bronchial Troubles, General Debility, Loss of Mental Power and all Wasting Diseases. Endorsed by over 3,500 Physicians? and Chemists Invaluable as a STIMULANT AND TONIC in Typhoid Fever, Dysentery Diarrheea, and all low forms of Disease. THE RECOGNIZED

ANTIDOTE FOR CHOLERA. We are the only concern in the United States who are bottling and selling to the Medical Profession and Drug Trade an absolutely **Pure Mait Whiskey**, one that is free from **FUSIL OIL** and that is not only found on the sideboards of the best families in the country, but also in the physician's dispensing room.

DR. ARENDT, the great German Chemist, says:-"I have made an analysis of your PURE MALT WIIISKEY, which gave a very gratifying result. Your Malt Whiskey, oblained mosily by extract of malt conversion and a very careful fermentation and distillation, is entirely free from fusil oil and any of those similarly obnoxious alcohols which are so often found in whiskey. I therefore, RECOMMEND IT TO THE MEDICAL PROFESSION.

Prof. VON VONDER, writes .- "Purity itself.--Duffy's Malt Whiskey, is the purest liquor that I have ever analyzed. A must therefore unqualifiedly have ever analyzed. A must therefore unqualifiedly recommend it to the would approtezion." The late HARVEY I. BYRD, M. D., President of the Faculty, and Professor of the Bailmore Med-to the Faculty, and Professor of the Bailmore Medof the Faculty, and Professor of the Baltimore Med-cal College, sava. "I find it remarkably from from financial finance of fevers, as used oil and other objectionable materials so often inflammations, and depressing maladies genera inflammations, and depressing maladies genera and also as a tonic in feeble digestion and ero seemce from acute diseases, where an alcoh uthor of several works on insanity, writes.
