Foreign Exchange—Dull at $4.86½; demand, $4.88¼.

Governments—Dull but steady without change except a decline of ¼c in 4's and an advance of ¼c in 3's.

There was exhibited a great deal of strength, the result of the day's operations showing decided gains over last evening. After 11 o'clock the market became more quiet and prices were comparatively steady with a tendency toward lower prices, but after 1 o'clock there was a sharp rally, after which it again became dull and about steady, and so continued until late in the day. In the last half hour the whole list became strong and advanced ½@¾ per cent for active stocks, the market finally closing strong at or very near the highest quotations reached. The only active Gould stock was Union Pacific, which rose srom 48½ to 49¾, a gain of 1⅜ per cent.
