FINANCE AND COMMERCE.

FINANCIAL

NEW YORK, May 28.—Money—Cash at 1 per cent. Prime mercantile paper, 4@5 per cent.

Foreign Exchange—Quiet and steady at $4.86½; demand, $4.88.

Governments—Quiet and steady at unchanged quotations except an advance of ⅛c in currency 6's.

Stocks—To-day was practically a repetition of yesterday. Opening prices showed no material change from closing prices last evening, and quotations for the next four hours were limited to small fractions of 1 per cent without any material increase in the amount of business done. In the last hour, however, there was increased activity accompanied by slight yielding in quotations of the general list and a decided break in Lackawanna, and the market finally closed weak generally at lowest prices reached. Lackawanna shows a loss of 2½ per cent, but other declines are only from ⅛ to ⅜ per cent, except St. Paul, which is down ½ per cent.
