Fisherites Celebrate Their Home Coming in a Most Joyous Manner.

DETROIT EASILY PUT OUT OF THE WAY

New Men on the Home Team Put Up a Remarkably Fast Game and All Play Splendid Base Batt.

About 100,000 people and a few more missed seeing the Babes wallop the Wolverines yesterday afternoon to the score of 9 to 2 and celebrate their return to the city in the prettiest game that has been played here this season

That is, the Babes put up the crackerjack contest, for Count Antonio Mullane's conglomeration of ball tossers were very safftickled the few fans who were out all over Detroit ron-hued in their antics at times. But it to witness the prancings of the reorganized | Errors by inningscolts bearing the proud name of Omaha. They put up a beautiful fast fielding game and took all soris of liberties with Mr. Irwin's curves whenever it suited them in the first half of the game. After that the count's slab artist tightened up a bit and was found only twice in four innings. The first two innings gave us the cinch on the game and Manager Fisher did not loosen his count's and fifty minutes. Umpire:

Double this: Prest and took all sorts of liberties with Mr. best benders. As a consequence he was hit rather freely, but at that the Wolverines were not in it for a minute.

Possibly on account of the contrast, the outfield received the most attention and praise. All three of the new men dragged cown files and gobbled liners in a fashion dat will mark them as the speedlest lot - if garden travelers in the league if they keep up the gait. Certainly not an outfield been here this year that is superior to them. And then they each swatted the ball nicely.

And the infield took no back sent to the garden, either. In fact, it was the cleanest, fastest game of ball all around that has been seen in this city this year and that is all there is about it. Not an error was made by the Babes. It was something of a surprise and mighty agreeable one, and altogether a very auspicious return home. We will not be tall-ender much longer, you

How the Game Opened.

Mullane's aggregation came up first and were disposed of in short order. Dungan rolled one down to Holly, who fired him out at first. Davis banged out a single, but Hines sent another to Holly, who doubled up Davis very nicely at first. That was nice, but it was a blamed sight

better when we came up. Preston was given the glad hand when he stepped up to the rubber and just to show that he appreciated it he lammed one to the right. He went a bag further on Pickering's sacrifice and then stole third dead easy. Lyons cracked the leather into the left garden and Preston made the first run. Roat landed safely, too, but Eustage flied

Detroit made three hits in the second, and yet did not make a run. Nicell singled and so did Dillard. The way things seemed to be coming tickled Nick so that he got fresh and tried to steal third. McCauley would not stand for any riskiness like that and nipped him. All this made Captain Tony so mad that he viciously swatted the leather for a single. He got some madder when Twineham banged one into Fisher's managerial

paws and Captain Chauncey doubled him up at first. 'It was the Babes' turn to get riled and they made Mr. Irwin look sick before they got through with him. Holly hit safely. Davis tried to do a juggling act with Mc-Cauley's fly with one hand and dropped the Fisher sacrificed beautifully and pushed both of them around a base. Then Preston came up and slashed out a cracking two-bagger, scoring both. Pickering brought Preston home on his hit and got to second on Fleming's single. Pick stole third and came home on a wild pitch. That was plenty. Pick was caught trying to steal

second and Lyons flew out. Very Sharp Fielding.

It took exactly five balls to put Detroit St. Paul 2 0 0 1 0 0 5 1 *-9 11 out in one-two-three order in their end of indianapolis .1 0 0 1 0 0 0 0 1 1-3 6 the third. We failed to connect for anything, too, although Eustace made a hit and Holly got a life on Nicoli's error. It was one two three again for the Wolverines in the fourth, but the Babes garnered a trio in their half.

As before, one man died, Preston fouling out. Pick lived by the grace of Dillard and Fleming sent him around to third on a single. Lyons drew a prize package and the bases were full. Roat cracked out one too hard to handle and Pick scored. Eustace rapped out a long fly to middle and before the leather got back to the diamond Fleming was in. Finally Holly singled and brought in Lyons, but could not get any farther because Mac flied out.

With the score 8 to 0, Fisher took pity upon the Mullane aggregation and allowed them to bat out a run. Dullard, Mullans Rusie, despite a lame arm, was sent in to and Fuller each singled. Muliane was work and lasted two innings, the Reds getforced out on Twincham's crack, but Dill ting nine hits and seven runs off him. arrived home safely. Irwin struck out-the | Hawley was also knocked off the slab in only man to do so in the game-and Dungan | two innings. Gettig, who was substituted put his life in Lyon's care.

They repeated it in the sixth on a single by Davis, another by Nicoll and Dillard's two-bagger. Hines dying between times. Nicoll was caught at the plate through dumb base running on his own and Dillard's part and Mullane fouled out Pick was given a press ticket to first in

our part of the fifth, but three men were before he was able to circumnavigate the circuit. In the sixth Lyons banged out a ripsnorting two-bagger, but he was a little toe anxious to get to third on Roat's long fly and was nipped. Eustace fouled out.

End of the Run Getting. In the seventh round the Wolverines

banged out a couple more hits, one by Irwin and another by Dungan, but two flies and an out at first cooked their goose.

We made a funny one in the same inning. Holly lammed one down to Hines, who made a bad throw to first. He was past second when Dillard succeeded in finding the ball in the west bleachers. The first baseman was so anxious to catch poor little Holly that he threw the ball up in the clouds and before it returned to earth Holly was over the plate.

It was one, two, three for them in the eighth and pretty nearly the same for us. Lyons made a hit and got to second on Irwin's error. He was left there, however. It looked as if the visitors would rake in one or two in the ninth, but with the bases full they never got a man over the plate. Mullane flew out to Eustace, but Twineham singled. Fuller flied out to Preston and

Fisher gave Irwin a base on balls. Then Dungan cracked out a single, but no one was able to come in on it. With the bags

the same character from Nicoll.
Your old friend Muliane fielded his position like a colt when the bails came within
reach, but his stiffened joints went back
on him when he tried to get to some outof-the-way fouls. He scooped in eight
chances without an error.

Preston displayed some nice base ball
lore on his first time up. He sent the ball
down the first base line and only got the
bag on a feet first slide. He got to second on a sacrifice and made a third base
steal and came home on a hit.
Cantillon appeared to have made a bad

steal and came home on a hit.

Cantillon appeared to have made a bad base decision in the fifth. Fuller was on first when Irwin struck out. As soon as the third strike was called McCauley fired the ball to Lyons, who looked to have completely blocked Fuller off the bag. The umpire declared Fuller safe, however.

Sharp fielding had a deal to do with the Wolverines' small score. In three limings did they make three hits and yet in only two was a run brought in. One of the hits was a two-bagger, too. In two more innings they made two in each and could hot score.

not score.

A particular piece of bad base running on the part of the Wolverines occurred in the sixth. Two men were on bases when Dillard cracked out his two-bagger. They, together with Dillard, started for home. Davis got in safely, but Fleming sent the ball into the diamond just as Nicoll was coming down the homestretch. Nicoll saw the ball and started back to third, but by that time Dillard was there. Nicoll was consequently put out and probably this out lost the Detroits a couple of runs.

NEW YORK, June 3 .- R. G. Dun & Co.'s Weekly Review of Trade will say in its review tomorrow:

May having been the first full month of actual war, the fact that failures in that month were smaller, even though but little, than in the corresponding month last year. and nearly 10 per cent smaller than in May, 1516, is somewhat encouraging, the more because a year ago the remarkable decrease in May gave proof of the heavy improve-ment in business, which made the year so

gratifying in general results, Large failures were eight in manufactur ing for \$2,385,000 this year, against thirteen for \$2,985,000 last year, and in trading, five for \$699,000, against ten for \$1,520,000 in Hesitation in extending usual credits after war began naturally affected weak more than strong concerns, but it

It is not less surprising that western ceipts for the week were 4.262.520 bushels, against 2,099,795 last year, although the crop has been by some supposed almost exhausted, and corn receipts were also 7,706,-

TREATMENT AND CURE.—Bronchitis, in the beginning, is purely a local disease of the air passages, and cannot be reached by stomach medicines or liquids in any form. The use of sprays, douches and atomizers only serve to cause further irritation, and are not only useless, but positively dangerous. Air is the only thing that can reach the parts affected it must be dry air at that. Herein lies the secret of the great success of "HYOMEI" in all bromehial troubles. The air you breath through Booth's inhaler is dry, freed from all microbes and laden with nature's ewn antiseptic; this air reaches every part of the bronchial tubes and lungs, kills at once the germs of disease, allaying the irritation caused by their presence and lealing the inflamed membrane with astonishing rapidity; all this without any trouble to the patient, as the Inhaler can be carried in the pocket and used at any time or in any the pocket and used at any time or in any
