THIRD MUSTERS IN AT OMAHA.

Secretary of War Calls for the Next Nebraska Volunteer Regiment.

GOVERNOR HOLCOMB ISSUES HIS NOTICE.

Arrangements for Gathering the Companies One by One and Bringing Them to Fort Omaha Are Practically Complete.

LINCOLN, June 11.—(Special).—

Governor Holcomb this afternoon received a telegram from the secretary of war, calling for the Third regiment of Nebraska volunteers. Information was also received that the muster officers had been designated, and it was decided that the regiment be brought to Fort Omaha, one company at a time, the preliminary physical examinations to be held at the home stations of the companies. Upon the receipt of this information the governor issued the following notice:

It is announced for the information of recruiting officers and companies comprising the Third regiment of Nebraska volunteers that information has been received through Colonel W. L. Stark advising that First Lieutenant R. J. Duff, Eighth cavalry, muster officer, assisted by Second Lieutenant John M. Morgan, as quartermaster and commissary, have this day been ordered to Fort Omaha from Sioux Falls, to muster into United States service, a third regiment of infantry from this state.

This regiment, as heretofore advised, will consist of twelve companies, each to contain 106 enlisted men and three officers, with field staff and non-commissioned staff of eighteen, making in aggregate of all grades of 1,328. The examining surgeon will be Major E. A. Koepfer, now at Omaha. Blank forms will be sent to muster officers at Fort Omaha.

Companies should not be brought into camp or forwarded to Fort Omaha until these blanks have been received and arrangements for shelter and subsistence made for the men. Only such number of men as can be passed upon per day will be brought to place of muster at one time, and arrangements therefor being first made with the muster officer. Companies at their home stations should be subjected to preliminary physical examination, as provided by circular No. 2, issued May 21, until 106 men have been obtained who will probably pass the physical examination required for the volunteer service. This preliminary examination, however, to be made without expense to the government.

Companies will be notified in due time when they will be expected to assemble and move to Fort Omaha for the purpose of being mustered into the volunteer service.

Progress of the Moore Trial.

The Eugene Moore case in district court made little headway today. The jury was dismissed to return Monday, and the entire day was spent in argument of the questions brought forward by the motion made by Moore's attorneys last evening. This motion was that the jury be instructed to bring in a verdict for the defendant, and the argument today was mostly on the question as to whether the \$250 paid by the insurance company was not included in the \$4,000 paid by Moore to the state treasurer. The judge has taken the matter under advisement and will make his decision known upon the re-appearance of the jury.

Governor Holcomb has received an invitation from Governor Tanner of Illinois asking him to participate in the Illinois day banquet at Omaha June 21. The governor has accepted and is sending out notices to

the members of his staff, who are also included in the invitation.

The graduating exercises of the Lincoln High school were held at the Oliver theater last evening. There were fifty members of the graduating class. The address of the evening was by Hon. J. Sterling Morton, who spoke on the subject, "Self-Reliance and Success."

CORNELL HAS A COMPETITOR.

State Auditor's Road to Renomination Not as Smooth as Might Be.

WALSH OF RICHARDSON IS UP IN ARMS.

Leader of the Popercote Forces Heads a Schism from the Cornell Crowd that Threatens to Swamp the Auditor.

LINCOLN, June 11.—(Special).—The opposition to the renomination of Auditor J. P. Cornell has at last taken definite form, and the first battle is already raging in Richardson county, the home of the auditor. The democratic wing of the popercote party of Lincoln has on a basis of the highest vote cast for a candidate for the state convention, the new candidate is J. P. Walsh of Humboldt, who has for a long time been the leader of the democratic party in Richardson. He was postmaster of Humboldt during Cleveland's first term, and has since served as county treasurer.

The friends of Walsh say that this new move is prompted by the fact that Cornell is exceedingly unpopular, both at home and abroad, and that he will surely be defeated if renominated.
