

ONE MONTH OLD NOW

Exposition Passes Its First Birthday with Two Pleasant Celebrations.

NEW ENGLAND AND TEXAS CONTRIBUTE

One Sends Eminent Divines and the Other Luscious Watermelons.

DOUBLE FEATURE OF THE DAY ENJOYED

Visitors Highly Entertained and the Fruit Enthusiastically Eaten.

CHRISTIAN ENDEAVORERS COMING NEXT

Today the Grounds Will Be Invaded by an Uncertain Number of Delegates on the Way to the Nashville Meeting.

The beginning of the second month of the exposition was marked by two very interesting features. The principal event of the morning was the arrival of a party of 100 prominent Congregationalists from the New England states, who are on their way to attend the triennial council of their church at Portland, Ore.

In the afternoon the distribution of a carload of melons by the Texas commission afforded a decidedly unique entertainment. In the evening the exhibition drill of the High School cadets and a surplus of good music supplied a variety of entertainment.

Today is noted on the official program as Christian Endeavor day and it is expected that more or less of the delegates to the Endeavorer convention at Nashville will stop off to spend a day or two at the exposition.

The passage of the bill that carries the appropriation for the Indian congress assures this feature a most successful day. It will be pulled off as soon as the grounds can be prepared for the reception of the Indians.

When the people of the Old Plantation were eating breakfast it occurred to Manager McConnell that a watermelon feast was the order of the day and jokingly remarked to one of the boys, "Henry, I understand they are going to distribute a lot of watermelons today and I am going to bet that you can get outside of eight melons. Do you think you can do it?"
