WEATHER

jured men are Mr. Pollenberger, a blacks Spring Whent Suffers Some in the Southeastern Counties-Corn is Doing Well and Many Fields Are Now Laid By.

bureau, weekly crop bulletin of the Ne-

The first four days of the last week were not, dry and windy. The last three days were cool, with showers Friday night and Saturday. The week as a whole has been warmer than normal, the average daily temperature excess ranging from 1 degree to 2 degrees. The daily maximum temperature generally exceeded 90 degrees on four days. and at a few places the weekly maximum exceeded 100 degrees.

The rainfall has been below the normal in most coupties. It has exceeded an inch only in a few western and northern counties, and has been less than one-half inch in most of the southeastern and northwestern counties.

The hot windy weather during the first of the week affected small grain unfavorably. Spring wheat was damaged in the made them celebrate, as never before, here southwestern countles, and the yield of wheat was probably reduced slightly in many counties. Oats continue in good con orritors of the day. Bicycle racing and horse dition. The winter wheat harvest is general racing, fireworks and duncing concluded the in the central counties, and nearly completed in the extreme southeastern coun-

parts of the state, but is still smaller than isual at this season of the year. The culivation of corn has made good progress nd the fields are generally clear of weeds. Many fields have been laid by. Report by countles:

Southenstern Section.

Butler-Some wheat cut, crop injured b wheat seab; corn growing well, but still a week or ten days late. Clay-Some wheat and rve harvested: eats look well; corn growing fast; baying

Fillmore-Wheat being harvested, the rop is but slightly damaged and will averge well; seen and potatoes need rain. Gage-Wheat mostly cut and in shock onsiderable wheat scabs in some fields and one in other fields; corn doing finely. Hamilton-Som wheat and rys being cut erry plump and good; corn growing very st, some being laid by,

Jefferson-When injured by hot weather, as ripened too fast; winter wheat being it: spring wheat looks well; corn clean July 4; nd mostly laid by, oats doing nicely.

Lancaster-Wheat barvest in progress;

Nemaha-Wheat harvest about over and yield not so large as expected; corn grow-ing well, but needs rain. Nuckolls-Wheat and eats partly cut; oats hearly ready to cut; bot, dry weather

has ripened small grain too fast; corn Otoe-Rye cut and wheat being cut; oats beginning to ripen; June hay being cut; corn growing fast and most all laid by, Pawnee-Wheat barvest well indvanced; orn in fair condition, a good stand, some laid by; oats and grass good; apples light

Polk-Rye not filling well; wheat ripen ngfast; hay a big crop. Richardson-Winter wheat about all cut and some thrashing done, yield not so good as expected; corn growing finely; grapes

hot, dry weather has been hard on crops; oats and potatoes doing well. Saunders-Rye and wheat harvest proheading heavy; corn growing well, but

Seward-Harvest in progress; wheat in-Thayer-Wheat harvest general and crop and growing very fast York-Harvest of wheat and rye begun; wheat damaged somewhat by blight; oats

good; clover a rank growth; corn growing

HAYWARD TO RUN FOR CONGRESS. Prefers Not to Be a Candidate for Island. The St. Joseph & Grand Island will

Governor This Time, LINCOLN, July 5.—(Special.)—The statement has been made upon good authority the Kansas City & Northern connecting railthat Judge M. L. Hayward has decided to way will be intercepted. A thirty-year lease run for congress in the First district and that there is an effort being made to unite Northern connecting and suburban belt the southeastern countles in his support, Decided steps were taken by Hayward's riends last week and they now claim that there is a probability that the outside counties will combine against Lancaster and make the nomination. A gentleman sent to passenger terminals in this city. The St see Hayward yesterday to find out about it; corn will need rain soon.

Johnson-Most of the winter wheat is spondent as follows, under date of Auburn,

> would like the nomination for congress and will be before the convention. He does not from Keckuk to Des Moines, Ia., and in s a strong feeling in the outside counties that they ought to unite.

> This letter coming from one of Judge thirty miles long will be built from Cains-Hayward's strongest personal friends seems ville to Pattonsburg, Mo., where connection o admit of no doubt that Hayward will be an active candidate for the congressional nomination and that his name will not be presented in the state convention.

Takes His Own Life.

HARTINGTON, Neb., July 5 .- (Special Telegram.)-Yesterday morning Coroner Reifert was called to the farm of John Kuble northwest of this town to take charge of a man who had committed suiide in Kuble's barn. Two men crossed the river from Yankton for Cedar county on July 3. They remained over night at the house of Mr. Kuble. They claimed to be out of money and wanted to stay all night and were granted the privilege. On the morning of July 4 all arose at 4 o'clock One of the men, Albert Lone, accompanies Mr. Kuble to the pasture to catch the ured a good deal; heavy crop of hay being horses and when they returned to the barn they corn growing rapidly. man in the barn with a bullet in his head sually good; corn quite free from weeds and a 32-caliber revolver lying near him. The coroner's examination disclosed the fact that Lone never knew the young man be fore they met as tramps on the ferryboat and that there was no chance for a murde case. Further investigation proved that the young man met death at his own hands Lone claimed that his partner had stated that his name was John Null and that his home was in Iowa near Remsen. Coroner Reifert brought the body to town and notified the postmaster at Remsen by tele graph. Mr. Null, father of the deceased, was to arrive tonight, but missed the train It seems that the boy was not satisfied with a good home and pleasant surroundings and decided to start out in life for himself. Despondency is the cause assigned for the rash act. Mr. Null is a wealthy citizen of Iowa. The body was interred here tonight.

Arrange for Primaries. SYRACUSE, Neb., July 5 .- (Special.)-Th county republican central committee con-Dodge-Corn making rapid growth and vened at the Opera house this forenoon and called the primaries for the 23d inst. and the county convention for the 27th inst. At the convention all congressional and state delegates will be elected and the county

Winter wheat harvest is well under way and the prospect is very flattering. The last of this and the first of next week the farmers will be into their oats ind spring wheat. Everything now points to an abundant ingathering and overflowing granaries.

Kicked by a Horse. TILDEN, Neb., July 5.- (Special.)-John Fredericks was severely injured on the race track yesterday by being kicked on the head and back by Senator Allen's stallion, "Hermitage," which was entered in the races at this place. C. H. Snider was badly bruised by the explosion of a giant fire-

cracker. The premature explosion of a sky-

rocket severely burned the hand of Gilbert

Accident in a Swing. JUNIATA, Neb., July 5 .- (Special Telegram.)-Yesterday evening Mrs. Fred Lan easter was seriously hurt by being caught by a wire cable on a steam swing. Her leg was drawn in between the cable and the swing frame. The cable burned the flesh badly and stopped the swing with its heavy

David City School Census. DAVID CITY, Neb., July 5 .- (Special.) -The completed school census of the school district of David City gives 709 as the number of pupils in the district, a gain of twenty-eight from last year's number.

Blair Rejoices. BLAIR, Neb., July 5 .- (Special.)-Everybody is rejoicing over the victory of Sampson

and The Daily Bees are picked up rapidly. Face Filled with Powder. TECUMSEH, Neb., July 5 - (Special.)-The premature explosion of a small cannon

outs and wheat fine; grass excellent; corn caused James Artz, son of F. E. Artz, to rowing well.

Nance-Some rye cut and winter wheat der here vesterday. The attending physicon says the eyes can be saved.

ENDEAVORERS ARE ARRIVING

Flocking Into Sashville from All Parts of the Country to Attend the Annual Convention.

NASHVILLE, Tenn., July 5.—The advance guard of the Christian Endeavorers and gardens need role.

Dundy-Very het, but crops have not suffered much; where they have been for several days vistered much; when, cats and corn doing ting Chickamauga park and the other his crops through the conditions of the fine; tye being harvested and is a heavy shown by the ferror with which they want the songs of the order on satering the city Frontier-Good rain Friday restored Soon they were experted to their headquar-

some damage to wheat and potatoes by and on late trains large delegations will come. The arrangements are completed at Central pack. The churches in the city are to be used as headquarters and the several committees anticipate no difficulty in caring for the attending delegates. Last week's heated term has been broken

of the thermometer being down in the The park in its natural beautles was never more attractive and the general com-

cation for the meeting will be fully approved when the delegates assemble away from the stir and noise of the city. The general public will be admitted to the ten meetings to be held in as many churches tomorrow night and to all the mora ing meetings of the convention until further notice and the Tuesday morning meeting at the Auditorium, at which Governor Taylor,

Rev. Ira Landrith, chairman 1898, and Dr.

J. L. Vance will speak. The authorities have

decided upon this plan.

Dr. Landrith, the active and industrious chairman of the local committee, is sure 15,000 delegates will attend and from advices thinks there may be 25,000.

The first meetings will be tomorrow night The day will be given to locating delegates.

NEW ROAD FOR KANSAS CITY St. Joseph & Grand Island Will Soon Enter the Town on

the Kaw.

KANSAS CITY, July 5 .- (Special Telegrain.)-Within a short time the St. Joseph & Grand Island railroad will be running freight and passenger trains into Kansas City. The deal insuring the acquisition of the Grand Island was closed today by A. E. Stilwell, president of the Kansas City, Pittsburg & Gulf and W. P. Robinson, general manager of the St. Joseph & Grand reach Kansas City over the Santa Fe tracks from St. Joseph to Pattsonsburg, Mo., where of the right to use the Kansas City & tracks into Kansas City has been secured from President A. E. Stilwell. The contract between the two systems also provides for the use by the St. Joseph & Grand Island of the Pittsburg & Gulf freight and Joseph & Grand Island will build a freight depot and open freight and passenger offices in this city. The entrance of the Grand Island to Kansas City is to be followed by the I saw Hayward today and know that he Keokuk & Western and the Minneapolis of connection with the Des Moines & Kansas City runs to Cainsville, Mo. A branch line

> will be made with the Kansas City & North ern connecting railway. Chicago Papers May Issue Today. CHICAGO, July 5 .- For the first time ce last Friday morning Record, Chronicle, Times-Herald and Inter Ocean will be issued tomorrow morning. A sufficient number of outside nonunion stereotypers have been imported into the city to make this possible. The papers, however, will be published only in fourrapidly as possible. Chicago afternoon papers will also publish temorrow in di

minished size.

Ranker Gets a Long Sentence. CHICAGO, July 5.-Edward S. Drever rmer head of the banking and real estate firm of E. S. Drever & Co., was sentenced today by Judge Smith to the penitentiary to serve an indefinite period for the embezzlement of \$316,000, which the West Park commission entrusted to bim as its treasrer. The court has signed a bill of excep ions in the case, which will be taken to the supreme court.

Steamship Agent Kills Himself. CHICAGO, July 5.—William Escherburg estern agent of the German Lloyd steamship line, committed suicide today at his home in this city. Deceased killed hims if in his bedroon with a pistol. Mr. Eschenburg represented the German Lloyd Steamship company here for many for some time been in ill-health.

These Doctors Can Cure You.

DISEASES SPECIALISTS SPECIALISTS FOR DISEASES OF WOMEN

The great electrical and medical specialists of this institute are far the best, most accessful and scientific the world has ever known, all of whom are graduates of the best medical colleges in the world, each having had long and sucessful practice in his specialty, and are achieving results in curing the sick and suffering by their combined Electro-Medical treatment, which would be impossible to obtain by either electrical or medical treatment alone. The State Electro-Medical Institute is the ONLY PLACE where you can obtain the benefits of this successful treatment under the most skillful and learned specialists. BE ASSURED that if any power on earth can cure you these Doctors can. By means of their combined electro-medical treatment they have effected complete and permanent cures form, but this will be increased as after all others had failed. Some doctors fail because of treating the wrong disease;

others from not knowing the right treatment.

NO MISTAKES AND FAILURES

A PERFECT CURE GUARANTEED IN ALL CASES ACCEPTED. Varicocele

and restored to their natural power, health and vigor by THEIR OWN SPECIAL ELECTRO-MEDICAL TREATMENT. Electric treatment alone will benefit a certain number of diseases and cure a few; medical treatment alone will cure a certain per cent of diseases, but when all the curative energy of each of these great curative factors are skillfully and scientifically combined and administered under the directions of the most successful and reliable specialists the world has ever known it is plain to be seen that quicker and more satisfactory results are sure to be obtained; trat prompt cures may be effected where either electricity or medicine alone have mpletely failed; and they have effected complete cures of deep-scated and stubborn liseases after all other physicians and methods had failed even to give relief-all of which is perfectly plausible when you consider the combined curative energy obfined by this electro-medical treatment. There is a class of diseases in which this ombined treatment is destined to accomplish a great and much needed good, and that is those classified under the head of NEURASTHENIA, or NERVOUS DEBILITY. specially of men, whether the result of youthful follies or later indiscretions and excesses, accompanied by various forms of weaknesses, etc., producing a long train of

IF ALL such SUFFERERS could but get a TASTE (as it were) of the wonderful benefits derived from this COMBINED ELECTRO-MEDICAL TREATMENT to power on earth could prevent them from pursuing a full course of treatment to a complete and satisfactory cure and restoration to perfect health, manly strength and

enjoyment of life. Women
