Exposition Association Executive

Committee Will Boom It. The meeting of the executive committee of the Council Bluffs Exposition association last night was well attended and much interest taken in the proceedings. The chief devising ways and means to provide a suitable exhibit representative of Pottawattamic county in the wigwam and to raise

President Graham reported that between 1,000 and 5,000 people visited the building daily and that some steps ought to be taken at once to properly furnish the rooms and establish an exhibit. He stated that for several days past there had been a very creditable display of small fruits on the second floor but that the display ought to empted the front lawn of a resident on authorized to employ a man to solicit fruit Benton street Thursday morning to take a and grain from the growers throughout the authorized to employ a man to solicit fruit charge of the San Jose scale investigations county for the exhibit.

Up to the present Mr. Graham has been in sole charge of the wigwam and the work has become too much for one man, so it was decided at the meeting to appoint a she only had a pitchfork in her hand when | Colonel Baker was requested to take steps townships in the county in the matter of making exhibits, and the members of the frequent visitor at the police station, has executive committee are in the meantime een turned over to Manager Lemen of the to solicit exhibits and articles of furniture, Christian home, who has promised to care pictures and other articles from the people

Thursday night by Rev. Mr. Overton pre- The all important matter of funds was paring to make a bed for the night in a taken and discussed and G. F. Wright and Lucius Wells were added to the finance committee to help raise the amount necessary to keep the buildings open for the balance of the exposition.

President Graham reported that Bradley ing to take the entire remainder of the ground floor space provided the committee would lease it to them. Messrs, Graham, Baker, Hess and Moore were appointed a committee to take this matter in charge and act as they best thought fit.

President Graham was authorized to employ a man who would act as janitor and take care of the exhibit during the daytime,

The committee decided that space for all exhibits except on the ground floor would be provided free, and that parties having articles they wish to exhibit or furniture they wish to loan for the wigwam can leave who will arrange for sending them to the wigwam.

The committee will meet again next Thursday night.

Miss Zoller has purchased a League bi-cycle from Cele & Cole.

The official photographs of the United States Navy, containing over 200 pictures of the vessels, with their officers and a numof the views of the ill-fated Maine, can be had at the Council Bluffs office of The Bee for 25 cents and a Bee coupon

Repairs Being Made After the De-parture of the Soldiers. DES MOINES, July 15,—(Special.)—The work of repairing the damage done by the lowa soldiers to the bulldings and grounds of the lowa State Agricultural society is being pushed. At first it was thought by the military authorities that \$200 would be a big estimate on the cost of making all the re pairs needed to bring the state fair grounds up to the condition they were in before the troops were quartered there. This hope dislumber has been used and nearly another, in making repairs. A force of carpenters \$3,000 to \$5,000, and it passed a law stat-under Major Martin of Fort Dodge, engineer ing that section 2536 is amended by striking few months ago had spent the entire eigh- and signal officer, has been at work for three weeks on the grounds putting things in inserting the word "five" in lieu thereof shape, and it will take at least another week, visit yesterday and fell into the hands of The boys simply had to have kindling, and law and found that the word "three" doe sharpers. From one gang he managed to as it was not furnished as plentifully as escape without being robbed but he barely they thought it should be they took the first got loose from them before he was picked board that was within their reach. Partitions, fences, sheds, pens and all kinds fidence man was was looking for a young of things made of wood were cut up into appear in the third line of section 2536, but man to fill a railroad job and who with kindling. A great many things stored in appears in the second line, and therefore said to have disapthe same old game but new to the young private parties. As they were receiving is one of the most peculiar on record. man from Ohio who, after reporting the free storage from the society they will not matter to the police, took the lesson phil- be paid for their losses if they sustained osophically and admitted it was worth the any; they simply took their chances when they left their stuff there. The exposition A man giving the name of O. Bryan was building was full of merchandise and a arrested last night and identified by Wise- great variety of articles, and it was undercup as being the party who steered him to stood that it was not to be used. The the Keckuk & Western, the Wabash, the the room where a futile attempt was made officers of the society claim that General Minneapolis & St. Louis, the Des Moines to get him into a skin poker game. As Lincoln promised that it should not be Northern & Western and the Great West wealth the only charge that could be placed astonished one day to find a lot of soldiers against Bryan was one of vagrancy. Bryan in possession. The commanding officer told is said to be a tinhorn gambler from South | the Agricultural society men that he had been instructed by General Lincoln to take ossession and that if the superintendent of the grounds, Mr. Demer, refused to give him the key he was to break in anyway,

had over the soldiers; that he let them do as they pleased. The grounds are being put POTTAWATTAMIE COUNTY EXHIBIT. in shape in every way. The ditches made by the soldiers are being filled up and everything else made right. Agricultural College Changes. AMES, Ia., July 15 .- (Special.) -At the neeting of the board of trustees of the lowa Agricultural college the following changes business before the meeting was that of were announced: Prof. H. E. Summers of the University of Illinois at Champaign to be head of the department of zoology and entomology, left vacant by the resignation of Prof. Herbert Osborn, who will soon take University of Ohio. Prof. Summers is a August 4 and 5, with the following prograduate of Cornell university of New York, gram: where he took fellowship honors two years n succession as student. He taught in the the University of Tennessee. For a time he was at work for the government at Wash- | the Louisville Courier-Journal. ington, but has been directly connected with
