

In the Domain of Woman.

(Continued from Fourteenth Page.)

medal for attaining the highest degree in every branch of study.

Mme. Albani, who has been making a tour through South Africa, is delighted with that country.

Mrs. Marie Robinson Wright, whose book, "Patriotic Mexico," was pronounced by President Diaz one of the most instructive works on his country.

Over a hundred and twenty-three women students have entered Berlin university this term.

Mrs. Albert Bowker, who died in Boston the other day, was for twenty-two years the president of the Woman's Board of Missions.

Mrs. Eliza J. Dodman, who has lately gone to the front as a nurse, was graduated from the training school connected with the Massachusetts General hospital in 1832.

Mrs. Caroline H. Bell of Milwaukee, who will be Wisconsin's candidate for national treasurer of the Woman's Relief Corps here.

Christie Nilsson, whose beautiful voice made such a lasting impression on American opera-goers a number of years ago, invested some of her savings in American real estate.

Mrs. Andrew White, wife of the United States ambassador to Germany, has gone to Philadelphia for a visit to the suburban home of her family.

A variation of the fashionable straight umbrella handle is made of silver or silver gilt, enamel and set with gemstones.

The lace yokes on some of the handsome hot-weather evening toilets are shaped to follow the curves of the neck.

Here is a London fashion item: A fashionably dressed lady, attired in white, with a large hat, and carrying a vari-colored entoucas.

Among the robes de luxe for autumn wear will be those of very rich but exceedingly flexible and lustrous water silk in black.

Of all the flags that have been sold for personal decoration, there is nothing so pretty as the Jack, the white stars upon a blue field.

A handsome model for an autumn tailor gown is made of pale heliotrope cloth in a bourette weave.

One of the prettiest things in the way of a patriotic necktie is in the shape of a knapsack.

Joseph M. Nowak, a lawyer of Cleveland, O., after ten years of married life, divorced his wife and married her seamstress.

STAPLES OF THE GREAT WEST

Graphic Pen Sketch of the Cereal Exhibit at the Exposition.

ARTISTIC COMBINATIONS OF GRAIN COLORS

Octave Thanet's Review of the Food Exhibit, the Manufactures, the Music and the Nightly Illuminations.

(Copyright, 1898, by the Author.)

There is nothing more interesting at the exposition than the wonderful food exhibit made by the great food bearing states and by the railways.

The Agricultural building, in which the bulk of this exhibit is shown, decorated with a designed lavish and sumptuous richness of sculpture.

Within all the marvelous ingenuity which has made corn palaces has been at work to deck the booths with every conceivable arrangement of color.

Before one comes to the Mines and Mining building, the public exercises of the exposition, the architecture rests the eye with its simplicity, yet is entirely harmonious.

At the Press building there are all the daily papers, room for writing and invariably a group of agreeable people.

So no one is more courteous than the superintendent of Liberal arts, Mr. Ford.

NOVEL IDEAS IN WAR SHIPS

Various Conveniences of a Fighting Navy Supplied by the United States.

NOVATIONS IN SEAGOING VESSELS

Pantry Squadron, Floating Repair Shops, Hospital Ships and Similar Necessities Make Their First Appearance.

The United States has lived up to its reputation for novel ideas in the war with Spain.

This fleet consists of half a dozen vessels. Their mission is to succor the wounded, feed the fighters, provide water and to repair the fighting ships.

Another wonderful exhibit, although less striking, is the educational exhibit which occupies the galleries.

Merely a nominal sum is charged for admission. At first there was no charge, with the natural result that the galleries were soon swarmed in and swarmed out.

The War department lost no time in following the example set by the navy, and shortly after the Solace was placed in commission.

Work of the Refrigerator Ship. In close touch with the relief of the ill and wounded of a military force is the care of the well.

Chicago Post: "What! Back from the country so soon? I thought you went up to that little place where you get paid for six or seven dollars a week so that you could save money."

Free Rheumatism Cure

Trial Package Free to All—Send for it—Tell Your Suffering Friends That They Can First Test Before They Part With Their Money.

A Genuine Rheumatism Specific That Cures Rheumatism No Matter if 20 Doctors Have Tried and Failed. It is a Marvelous Remedy.

Not a great doctor, not an eminent specialist, not a patent medicine man but just a plain, every-day citizen of Milwaukee.

One of the most important items concerning the sanitary condition of a navy is the supplying of potable water to the crews.

fresh, but experiments have shown that sweet water can be produced at less cost on board ships fitted for that special purpose.

Provision for the Sick. The latter was formerly the large forward saloon on the Solace deck. It is splendidly adapted for the purpose.
