THE PROOF

Lungs and Throat Healed.

MAGGIE S. BOSWELL, Enterprise, Ga., says:

"No pen can describe what I suffered day and night from weak lungs. Many, many times, day and night, I nearly suffocated, my throat being in a terrible condition from inflammation and weakness.

"I despaired of a cure, as everything I tried did me no good. Hearing so much about Dr. Slocum's celebrated treatment for consumption and pulmonary troubles, I sent for the course of medicine which he so generously distributes, and now, in the name of humanity, I write my grateful thanks for the cure I obtained, hoping others will take heart, and get well before too late. I shall never cease to recommend the Slocum system wherever I go.

Consumption Cured.

MR. THOMAS SAMPSON, Federal Point, Fla., says:

"I had weak lungs which continued to grow worse until consumption was developed. In vain I sought relief from almost every source, until I procured the Dr. Slocum treatment, and this speedily cured me. To-day I am a well man, thanks to this famous physician, and I earnestly hope every consumptive and sufferer from

pulmonary troubles will consult him without delay, for his discoveries will surely cure. Every friend of mine shall know the truth."

These are but specimens of thousands of grateful letters pouring into Dr. Slocum's offices in one unbroken stream.

Every letter breathes of new life, new health, new ambitions—of cures.

Wonderful Victories.

Dr. Slocum, whose countless miracles in the treatment of diseases of the lungs and head are attracting wide attention throughout the country, declares that fully 90 per cent of all the deaths due to the existence of the consumptive bacilli in the system can be positively prevented by his new discoveries.

Overworked men and women whose lungs are weak and debilitated can be speedily restored by the Slocum treatment, proof of which is furnished by thousands of reports constantly coming in.

One of the more recent restorations is that of Mrs. Mariah Crossley, of Mt. Carmel, Ill., who writes:

"Over a year ago I contracted lung trouble, besides suffering terribly from catarrh. I grew steadily worse until I was an invalid. My family physician tried everything, but his treatment accomplished nothing. I finally resorted to patent medicines, but they also gave me no relief. Although only forty-four years old, yet I was unable to retain my strength, and the outcome was very dark. Finally I read of Dr. Slocum's success, and sent for his full course of medicine. The effect was wonderful, for I only used half the quantity before I began to get well. It was not long before my catarrh disappeared, and shortly after my lungs became strong and well—I was cured. To-day I am as well as ever and can never say too much for Dr. Slocum."

If you are not robust your system will succumb to disease. If your present troubles are not cured, the disease will eat into your very life like a cancer, but the cure is not difficult if you go about it right. The Slocum treatment makes you strong by killing the germs and enabling nature to throw off disease. It heals the raw, inflamed surfaces, stops the formation of unhealthy mucus, and allays irritations.

Four distinct preparations are employed, each a wonderful specific in itself. Together they never fail and will cure, as statistics show, the following: Consumption, Lung Weakness, Asthma, Catarrh, La Grippe and its after effects, stubborn Coughs and Colds, Bronchitis and Throat affections, wasting away, Pulmonary troubles and Tuberculosis.
