Who Has Calarph?

A COMMON-SENSE CURE

O those who know what Catarrh really is, the old-fashioned way of treating it, still used by thousands who cling to old methods, seems a woeful waste of good energy. Catarrh is inflammation of the

mucous membranes of the nostrils,

throat and air passages. It needs soothing, not irritating. The constant hawking, the choking, plugged-up, disagrecable sensation of tightness - troublesome especially in the early morning, when the cold air contracts the air passages and irritates the inflamed ly by the simple application of membranes-is relieved immediate-

OZOJELL

Ozojell is like a healing ointment applied to a troublesome and angry sore - it Soothes, Relieves, Cures.

The catarrhal discharge is like the pus from a running sore, and everyone knows that washing a sore is not sufficient to make it heal. Ozojell, a delicious, pleasant emulsion or jelly of great cleansing, healing, preservative, germicidal properties, when once applied, remains on the raw membranes and gradually draws out the matter and heals up the wound by promoting the growth of new, healthy membrane. Ozojell is put up in a patent Ozojell tube, easily carried in the pocket,

easily applied to the parts as needed, in the office, on the street, without attracting attention, and with no irritation, trouble or waste of time. It is sold by all druggists in 50 cent patent Ozojell nasal tubes. Prepared from the formula of the celebrated Vienna physician, Herr Muller, the great specialist in diseases of the ear, throat and nose (Physician in Ordinary to the Emperor of Austria).

Thousands of letters from those who have been cured attest its virtues.

TO PROVE its efficacy, we offer to send free by mail to all readers of this paper a tube of Ozojell and a book on Catarrh and Its Scientific Treatment. Simply write, giving name and full address, when this treatment will

be sent you absolutely free, postage paid. Address OZOJELL CURE, 219 Temple Court, New York.
