His head got so bad he would cry all night, and my wife could sleep none, and began to leek ghostly, His head got so sore that we put a night cap on him, and folded a white cleth four thicknesses made of it, and just through the night a kind of matter wanid core out from his head, souled through the cloth and cap and on to the pillow. The top and back of his head was almost a solid sore, and looked so badly that words would not describe it. Almost in despair I told my wife I had seen Curicuma REMEDIES advertised and recommended very highly and I was going to try them. I bought the CUTICURA RESOLVENT, CUTICURA Soar, and Curicuna Ointment. We gave him half of the Resolvent, used part of the cake of Soap, and before we had used the second box of Currouna Cintment he commenced to get better, and is now as well and hearty as anybody's boy. The catarrhal discharge is like the pus from a running sore, and everyone knows that washing a sore is not sufficient to make it heal. Ozojell, a delicious, pleasant emulsion or jelly of great cleansing, healing, preservative, germicidal properties, when once applied, remains on the raw membranes and gradually draws out the matter and heals up the wound by promoting the growth of new, healthy membrane. Ozojell is put up in a patent Ozojell tube, easily carried in the pocket,

easily applied to the parts as needed, in the office, on the street, without attracting attention, and with no irritation, trouble or waste of time, It is sold by all druggists in 50 cent patent Ozojell nasal tubes. Prepared from the formula of the celebrated Vienna physician, Herr
