At Yuciapa we saw Henry Cronin of Chicago, Ill. and Beulah Patterson. We went trout fishing with them and enjoyed our catch at their home. After spending overnight with them, we came back via Palm Springs where it is hard to believe there is so much beauty in the desert. Among sights worth mentioning were the Desi Arniz Date Palms where at Shields date farm we had a date milk shake which proved a meal in itself. There was lots of traffic on the freeway.

'Wednesday evening, ber 13, the Sauers had a pinochle party so we could meet their wonderful friends. Their house was filled with gorgeous flowers from their own back yard. 'Thursday morning, November

we went as far as Naples where the homes are built on canals and each has a boat at their front door.

"Friday , November 15, Mr. and Mrs. Sauers took us to Wflmington where we boarded the Matsonia for Honolulu. The sea was delightful. Entervoyage tainment included horse racing, swimming, dancing, bridge and canasta. Mr. Clauson won first at bridge and second at canasta. (Harry has certificates to prove if there are any doubting Thomases around.) All five days aboard were most enjoyable and all 450 passengers were most congenial.
