Youth Center Will Be Open Three Nights Weekly

A meeting of parents was held Thursday, December 5, at the youth center relative to keeping open on Monday, Wednesday and Friday of each week. There were 27 people present.

It was decided to urge the youths to hold an election and form an executive board to meet with the parents at the next meeting after the first of the year.

Several good suggestions were brought out regarding the operating of the place, but nothing was voted on until after the executive board of the youth center can confer with the parents and decide the several issues brought up at last Thursday's meeting.

However, it was decided to keep the center open on Monday, Wednesday and Friday, as in the past, pending the next meeting.
