Cardinals Top St. Joe, 46-41

The St. Mary's academy Cardinals pulled the chestnuts out of the fire Friday night and defeated St. Joe of Atkinson, 46-41, on the Atkinson court. It was the fourth straight win for the Cards. The game, loaded with faulty passes, fumbles, fouls and numerous other miscues, more closely resembled a post-vacation contest than the actual pre-holiday windup.

St. Joe jumped to an 8-0 lead before St. Mary's managed to get a shot. A gratis toss by Bill Craig broke the ice and the Cards proceeded to narrow the margin and trailed 12-15 at the end of the first quarter.

The second stanza found SMA going ahead 18-17 only to have the Bluejays rally to lead 27-21 at halftime. The Cards sharpened somewhat during the third. With Larry Tomlinson and Craig finding the range they enjoyed a four-point edge going into the final.

Loss of Craig during the closing minutes of the third session and Tomlinson at the outset of the final quarter hampered the Cards, but nevertheless they moved to a nine-point advantage with three minutes remaining and played control ball to hang onto their hard fought victory.

Tomlinson with 21 points again paced the Cards. For the fourth straight game he rimmed better than 20 points. Schaffer of St. Joe was the evening's high scorer with 22 points.

The St. Mary's seconds continued to remain undefeated and posted victory number 5 with an easy 48-20 win. Bellina, Schneider and Clary paced the victors with 10, 9 and 8 points, respectively. This was their 13th straight victory over a two-year span and gives a 20-1 margin in the last 21 games.

Balers Topple O'Neill High

The O'Neill high Eagles absorbed a licking here Friday night bowing to the Atkinson high Balers, 51-33.

Duane Humphreys and Jim Hendricks, with 14 points apiece, led the Baler parade. Larry Oetter scored 10 for O'Neill. All of Oetter's points came in the second half.

Atkinson jumped to a 16-9 lead at the first quarter. O'Neill was limited to a skimpy two points—a fielder by Parks—in the second.

The Balers connected on 50 percent of their shots while O'Neill could convert on only 25 percent of the tries.

The O'Neill reserves won, 35-21.

Poinsettias Take Boughs

What would Christmas be without poinsettias? They are as much a part of the holiday scene as holly wreaths and Christmas trees, lending a warm and festive touch wherever they are placed. Because of their great beauty and popularity, they make perfect Christmas gifts for business or personal friends—to give or wire any place in the country or overseas. Alyn Wayne, official stylist for the Florists' Telegraph Delivery Association, has designed here an arrangement of white poinsettias and fir boughs suitable for home or office. Particularly note the fact that the arrangement is of cut poinsettias, disproving the general opinion that once cut, they die. The secret is in the handling before arranging: Soak your plant heavily overnight, then cut and dip immediately in alcohol from 5 to 10 minutes. This seals the ends, and your poinsettias should last in arrangement from 1 to 3 weeks, depending on the woodiness of the stem. Try it yourself.
