MORE AK-SAR-BEN HELP FOR YOUR COUNTY FAIR

A new Ak-Sar-Ben plan of assistance to County Fairs goes into effect this year. Ak-Sar-Ben will supply premiums and ribbons for open class competition in such important projects as dairy cattle, beef cattle, swine, sheep, field and garden produce and home economics exhibits. Ak-Sar-Ben plans to invest \$25,000 in this new program made possible by thoroughbred racing revenues.

This will bring to approximately \$150,000 Ak-Sar-Ben's annual support to our County Fairs.

"Ak-Sar-Ben's program of assistance to the County Fairs of Nebraska has spelled the difference between success and failure for many of our fairs," a fair official commented recently.

There were 53 county fairs in Nebraska in 1935 when the sport of thoroughbred racing returned to the state. Today the number has increased to 93.
