**Become Members of Extension Board**

The combined annual meeting of the Holt county extension service and soil and water conservation district was held Friday, March 14.

The program featured Dr. T. H. Gooding, agronomist from the University of Nebraska. Doctor Gooding, well-known throughout the state, spoke on his experiences in Turkey. Warren Fairchild, executive secretary of the state soil and water conservation committee, spoke on the district outlook for conservation.

The program also included FFA speeches by Richard Ernst of O'Neill and Larry Ziska of Atkinson. James Glig of Atkinson reported on his trip to 4-H club congress.

Awards from the soil and water conservation service were presented by Harvey Krugman to Mr. and Mrs. Bob Withers of Spencer. Music was provided by a trio from Chambers, including Tom and Stanley Lambert and Carol Summerer. George Hartman, assistant county agent, presented a vocal solo.

The annual business meeting of the extension service was held. This included the election of three new extension board members. Those elected were Glenn White of Amelia, Harold Coburn of O'Neill, and Walter Fick of Inman. Other board members include: Ora Yarges of Stuart, Charles Mulford of Stuart, Frank Beelaert of Page, Mrs. Floyd Butterfield of Atkinson and Mrs. A. T. Crumly of Page. Clarence Ernst of O'Neill is a retiring board member.

A reorganization meeting of the extension board was held with officers selected as follows: Ora Yarges of Stuart, chairman; Frank Beelaert of Page, vice-chairman; Mrs. Floyd Butterfield of Atkinson, secretary; Charles Mulford of Stuart, treasurer. **Pineapple Cheese Buffet Mold**

**Refreshing Pineapple In A Creamy, Cool Gelatin**  
Pineapple and cheese have always been a popular combination either as dessert or salad. Here they are together in a delicious mold which will add elegance to buffets or play a leading role at a party luncheon.

Pleasing color contrasts are introduced with a garnish of pineapple slices, crabapples and grapefruit sections.

**Pineapple Cheese Buffet Mold**  
2 cups small-curd cottage cheese 1/4 cup snipped chives (optional)  
1 (8-ounce) package cream cheese 1 cup whipping cream  
1 envelope unflavored gelatin 1 cup cold water  
1/2 cup cold water  
1 1/2 cups drained pineapple tidbits  
1/4 cup chopped salted mixed nuts

Mash cheese together with fork until smooth. Soften gelatin in cold water in a small measuring cup. Set cup in hot water until gelatin melts. Stir into cheese. Add pineapple, salted nuts and chives. Whip cream and fold into mixture. Put in oiled 6-cup mold. Chill at least 4 to 6 hours (this is a soft mixture and will not become hard like a regular gelatin mold). Unmold on large salad plate and surround with salad greens and chilled fruits. If dressing is desired, thin mayonnaise with a little pineapple syrup to serve with it. Serves at least 8.
