Pal in Trouble

Pal, Boxer dog belonging to Paul Shelhammer, must have been in quest of a bird to have found himself marooned atop the front porch at the Frank Valla residence on East Everett st. Pal spent most of the day there before he was sighted by passersby. The Vallas were not aware they were hosts to the handsome pooch. It is believed the dog climbed steps at the rear of the house to reach a porch. Only way he could get to the front porch was to waltz precariously on an eight-inch ledge the length of the house. The dog's owner had to retrace the dog's steps and led Pal out of the predicament.—The Frontier Photo.
