weeks to pay

LAVERN — PAUL

For your protection this new Tank Wagon is equipped with the most modern metering units.

**WE ARE NOW EQUIPPED TO TEST AND SERVICE YOUR TRACTOR FOR Maximum Power Efficiency**

This A & W TRU-TEST equipment tests ACTUAL HORSEPOWER at Power Take-Off.

Let us test your tractor with the NEW A & W TRU-TEST DYNAMOMETER and guarantee you better performance. We can make required adjustments accurately and quickly. The cost is low for this service and will save you many dollars in gasoline and time in the field. You'll get more work done and do it better when your tractor is in top condition.

You can keep your tractor at peak performance by periodic checking on our new test equipment. Come in, ask about prices. Let us tell you more.

**Official Tests**

prove Farmall 450 out-pulls them all!

There isn't a ROW CROP tractor on the market today that will out-pull a Farmall 450!

In recent nationally recognized tests, the 450 set a new record for drawbar pounds pull . . . outpulling the second-best tractor by a wide margin and at higher speed.

The 450 also pulled the highest percentage of its own weight of any tractor ever recorded.

get a deal on a Gehl—

**"Chop-All" costs less\***

Before you buy a chopper, get the Gehl deal! More farmers own Gehl than any other independent make. Yet famous "Chop-All" is lower in price than 8 other leading choppers!\*

High-capacity Gehl is known for finer, cleaner cutting. Field chopping with Gehl saves time, cuts spoilage. Ask us about the free Gehl Forage Profit Plan which shows how much you can save on your farm by chopping. Then get the lower priced Gehl deal!

**Come in . . . let's make a deal!**
