STUART—Bouquets of white and blue chrysanthemums and Easter lilies decorated the altars of St. Boniface Catholic church Saturday, April 12, for the 10 a. m. wedding of Janice Schmaderer, daughter of Mr. and Mrs. Joseph Schmaderer, jr., and Garry Lockmon, son of Mr. and Mrs. Dwayne Lockmon.

Rev. A. J. Pashang officiated at the double-ring ceremony while Kenny Scholz and Garry Jardee served as acolytes. The nuptial music was played by Sister Vera on the organ.

The bride, given in marriage by her father, appeared in a full waltz-length gown of embroidered nylon net over ruffled tulle and satin, in monastary white. The molded bodice featured a bateau neckline outlined with embroidered scallops with brief sleeves. She wore elbow length mitts of embroidered nylon net. Her fingertip veil was held in place by a coronet of seed pearl rosebuds and net. Her bouquet featured a cross of pink rosebuds, circled by white feathered carnations tied with a white satin eyelet ribbon.

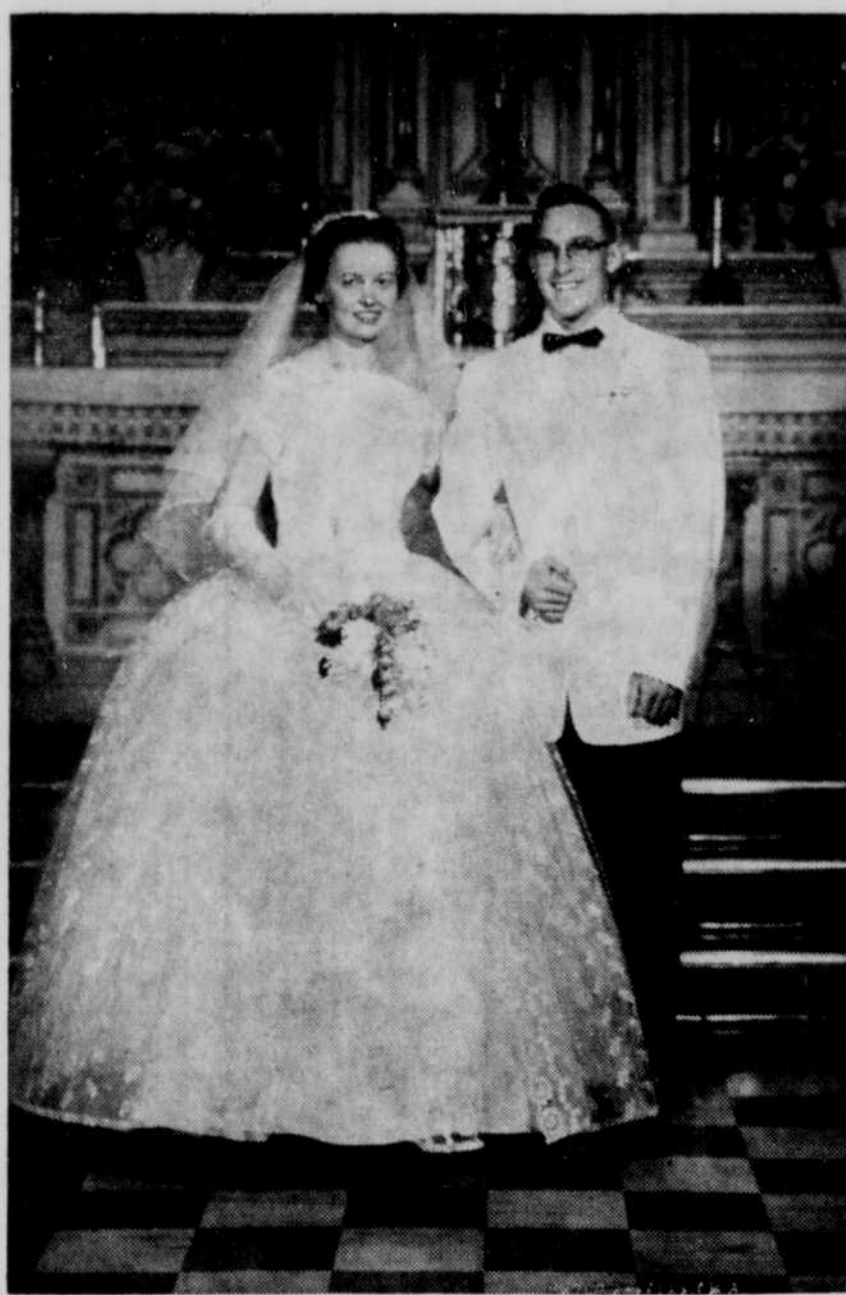

The bride's sister, Marilyn Schmaderer, was maid-of-honor. The bridesmaids were LaVonne Schmaderer of Omaha and Janice Scholz. They appeared in identical dresses of cocktail length of ice blue schiffli embroidered nylon over taffeta, in princess style with cummerbun and half bow sash of satin. Their head-dresses were satin coronets with circular veils. Each carried a crescent of blue feathered carnations.

The bestman was Alan Brewster of Omaha, Don Schmaderer, brother of the bride, and Glenn Lockmon of Milford, brother of the bridegroom, served as other attendants. Denny Lockmon of Lincoln, cousin of the bridegroom, and Maurice and Richard Schmaderer were ushers.

Cadillac

When Distance Is Always Tempting!

Take a new Cadillac—point its hood toward some distant destination—and watch what happens!

We would be willing to wager that day's end would find you far closer to journey's end than you could ever have imagined!

We say this because we know how wonderful the miles are when they pass beneath the wheels of a new Cadillac—and how tempting distance is when seen through the windshield of the "car of cars".

First of all, imagine how comfortable and rested you would be! The seat-cushions are soft and deep and perfectly contoured. The steering wheel is ideally positioned . . . and the car is wonderfully spacious.

Then consider how easy the car is to handle! It is incredibly agile and responsive—and wonderfully smooth and level of ride. In fact, if you have selected the extra-cost option of Cadillac's air suspension, you can scarcely detect the presence of the road.

And think of your pride and contentment! The very knowledge that your motor car is so highly admired and so widely respected adds its own reward to each and every mile.

You ought to try it soon. Your dealer will be happy to explain the virtues of Fleetwood coachcrafting—and to give you the facts on every model, including the exclusive Eldorado Brougham.
