Minstrel Show Tickles Funnybone

Large Crowd Sees Presentation

EWING—A clever entertaining minstrel program was presented Friday evening by the music department of the Ewing high school under the direction of Mrs. Maynard Rouse, vocal instructor. The 40 "colored" students, appropriately blackened, wore jeans with hats of all colors.

Douglas Shradler as "Mr. Interlocutor" was master of ceremonies, assisted by Sharon Kropp as "Mr. Bones" and Ann Rotherham as "Mr. Tambo". Their snappy chatter and story telling created merriment.

Group singing included the "Silvery Elkhorn," written by Dr. H. A. Eckert of Neligh, who was in the audience. Other vocal numbers were by Sharon Kropp, Karen Mlnarik and Douglas Shradler, "who felt a song comin' on".

The boys' quartet—Douglas Wulf, Lyle Larson, James Miller and Bill Bauer—sang "Who Knocked the 'L' out of Kelly". Richard Williamson played several piano selections. Four students gave an exhibition of "rock and roll." Miss Sandra Shradler was pianist.

Reports Average Attendance: 121

CHAMBERS—Rev. Robert L. Embree of O'Neill, northeast district superintendent of the Methodist church, spoke at the morning service at the Methodist church here.

The junior choir sang for the service and Mrs. Elwyn Robertson was organist.

The evening was spent in a fellowship supper before the business session of the quarterly conference. Reports were made by the officers of the church. About 18 people attended.

The pastor reported an average attendance at morning service of 121; church school reported an average of 90. Officers were elected for next conference year.

Veterinary

Make GILLIGAN REXALL DRUG your headquarters for all your Animal Health Needs.

SCOURS—Don't let Calf Scours take a toll among your young calves. We recommend SULFASTREP Tablets for the control of Calf Scours. The ingredients in this preparation are specific for scours and other diarrheal infections. We also carry Terramycin, Aureomycin, and other preparations recognized as being indicated for the treatment of this disease.

PENICILLIN - DIHYDROSTREPTOMYCIN—This combination gives the best results in pneumonia and other pneumonia-like infections to which animals are susceptible. Dose for dose, the cost of the combination is about the same as cost of penicillin alone, with a much broader range of organisms being susceptible to the combination. For the surer and better results obtained, the Penicillin-Dihydrostreptomycin combination is by far more economical. Get Penicillin-Dihydrostreptomycin today at Gilligan REXALL Drug, and be ready when infection strikes your stock.

Weed Killers and Insecticides

It's not too early to start thinking about controlling the weeds and insects in your lawns and gardens. We have just received a new shipment of weedkillers and insecticides, and are ready to help you with your control problems.

PRESCRIPTIONS

Health is priceless—guard it carefully! See your doctor regularly for a medical check-up. The next time your doctor finds it necessary to prescribe medicine for you bring your prescription to Gilligan REXALL Drug to be filled by one of our PRESCRIPTION SPECIALISTS.
