

Why you get **FULL VALUE** when you buy **PORK LOIN CUTS** at **SAFEWAY**

- each portion of the loin is priced according to its eating quality..

All parts of a pork loin contain good eating meat. However, some sections of the loin are more desirable than others. So Safeway prices each section accordingly. Thus, the buyer of any loin cut always gets *full value* for her money, no matter which cut is selected. The charts below show the various cuts and the price for each.

|--|--|---|
| <p>HALF CUTS</p> <p>Because the loin half is considered a more desirable cut (larger portion of meat to bone), the buyer of the rib half gets the benefit of a lower price at Safeway.</p> <p>Rib Half 49¢ lb.</p> <p>Loin Half 59¢ lb.</p> | <p>CENTER CUTS</p> <p>Diagram shows the section from which the center cuts come. This section is considered to be the choicest portion of the loin. Center cut chops are tops in eating quality.</p> <p>Center Rib Chops 69¢ lb.</p> <p>Center Loin Chops 79¢ lb.</p> | <p>END CUTS</p> <p>Rib ends are priced lower than loin ends, giving the shopper a choice of prices as well as a choice of cuts.</p> <p>Rib End Roast 45¢ lb.</p> <p>Loin End Roast 55¢ lb.</p> |
