### '59's on Display Here at Oscar's Buick Sales

Sleek and low describes Buick's new styling for 1959. The model shown is the luxurious two-door Electra hardtop which measures less than 55 inches in height yet retains approximately the same headroom as last year's Buick. The "delta-wing" styling of the rear fenders that flare out to a point, and twin headlights that are set on an angle give the new Buick a look that is light and jaunty. Compound windshields that curve back into the roof and eliminate wind noise are a feature on all 1959 Buicks. The Electra is powered by a 401-cubic inch V-8 engine with 10.5-to-1 compression ratio. Twin turbine Dynaflow and power steering are standard on all models in the Electra series.

### Purchase of Bedrails Authorized by Aux

The St. Anthony's hospital auxiliary, with 12 members present and Mrs. G. H. Grimes of Chambers presiding, met Monday September 8, at the hospital. It was decided to subscribe to a teenage magazine for the hospital and the need for more bedrails was discussed. The organization authorized Mother Virginia to purchase two sets of rails. Other means of helping the hospital were discussed, including assisting during visiting hours and arranging and helping care for flowers. Mrs. Grimes named a nominating committee for the election of officers which will take place at the next meeting. Mrs. Ray Bosn volunteered to take charge of the library cart for the remainder of 1958. Mrs. John Shoemaker offered to care for the cart during the first part of October. The auxiliary would like to remind anyone who has extra garden produce, fruit or vegetables that the hospital would be very glad to receive the items. Lunch was served by the officers: Mrs. Grimes, Mrs. Herman Jazung, Mrs. Joe Tennis and Mrs. Robert Miles. Next meeting will be held on October 13.

### New Safety For Hunters

TO BE SEEN, not hurt. That's the credo of wise hunters this year who will be wearing the new Air Force "safety yellow" which, according to tests, is four to five times better than any other color in perception. And, subject as they are to hard wear and all kinds of weather, it's important that the yellow in these garments retain its depth and strength for life. For the well-dressed hunter, Ulica-Duxbak has designed this "Top Gun" poplin coat with full-length game pocket (left) and this Onondaga deer-hunting target twill parka with drawstring hood in vat-dyed yellow. Vat dyes are the most durable colors known. They will not run, bleed or fade; rub-off or be affected by perspiration or salt water.

### Ewing Nicked by Bassett in Opener

### Cloyd to Hospital After Game

**Ewing Nicked by Bassett in Opener**—The Ewing high Tigers ventured forth Friday night in the first gridiron outing of the season and lost to Rock county high (Bassett), 7-0, at Bassett in a defensive struggle played largely between the 20-yard-lines. Bassett scored in the second period on a pass play with four minutes remaining. Quarterback Roy Nelson hit end Nick Lyman of Ewing seven and waltzed across. The play started on Ewing's 30. Fullback Gary Haszard plunged for the extra point. It was the first game for Coach Tom Hutton, new mentor at Ewing high. Neither team could muster any offensive drive except for Bassett's aerial pitch that connected for the game's only TD. "It was a team effort for our club," Hutton said and "nobody could be singled out for outstanding play." Hutton started with: Ends—Grover Shaw and Larry Rotherham; tackles—Leon Hahlback and Lyle Larson; guards—Tom Koenig and Jerry Tams; center—Doug Shrader; quarterback—Darryl Backer; halfbacks—Jerry Hahlback and Freddie Wright; fullback—Harold Parks, who played reserve ball last season at O'Neill high when he was a sophomore. Hutton's alternate backfield included: Quarterback—Ron Thoenkel; halfbacks—Royce Wright and Dwaine Bollwitt; fullback—Ronnie Cloyd. Fullback Butch Cloyd was hurt in the game and the following day entered St. Anthony hospital for treatment of a badly sprained wrist. **Sunday Visitors**—Mr. and Mrs. Bruce Johnson visited at the home of Mr. and Mrs. Guy Beckwith Sunday evening.
