Sings for Wedding—

Mr. and Mrs. Terry Wilson spent the weekend in Sioux City. Mr. Wilson, who was vocal soloist for a Saturday evening wedding in that city, is a science teacher in the O'Neill public school.

1959 Pontiacs on Display at Krotters

Factory list prices for the completely new 1959 Pontiac have been announced by S. E. Knudsen, general manager of Pontiac Motor division and vice-president of General Motors.

The new models, incorporating entirely new styling and exclusive engineering developments, are displayed in the Wm. Krotter company showrooms at O'Neill and Spencer.

"The complete new Catalina series is priced between the 1958 Super Chief and Chieftain series which it replaces," Mr. Knudsen said. "The new value packed Bonneville and the Star Chief series will be priced lower than the 1958 series."

The popular Bonneville series, which was introduced in 1958, has been expanded to a complete line to include a Vista Sedan and Custom Safari in addition to the Sports and Convertible Coupes. The wheelbase has been increased from 122 inches to 124 inches.

In addition Mr. Knudsen said Pontiac is offering entirely new styling, greater performance and an improved ride and a larger, roomier body on the new Catalina series with more luxurious interior appointments and upholstery than has ever been offered in a car in this price class. "Magic Mirror" paints and electric windshield wipers will be standard on all models.

Prices remain the same on the new improved Hydra-Matic as well as power options which add to driving safety and comfort.

CONVEYING THE IMPRESSION of eager action is the 1959 Pontiac Catalina sport coupe. Reflecting ultra-modern design from every angle, it is destined to win wide popularity in the lower-priced, high-volume Catalina series. A wheel track nearly five inches wider for handling ease and safety, a new high-performance Tempest 420-V-8 engine, new, heavier true-contour brakes and a completely redesigned chassis frame are among Pontiac's 65 brand new features.

Reception for New Members Planned

Monday night the Girls Sodality at St. Mary's academy held its regular scheduled meeting. Instructions were given to prospective members.

Reception is being planned for Monday, October 13, at 7 p.m. Entertainment will follow the reception ceremonies.

Tuesday afternoon the junior high and high school students went to see and enjoy the movie, "Around the World in 80 Days."

The books have arrived for the senior class play, and the seniors are now practicing for the play, "New Fires."

A four-day vacation is in view for SMA students because teachers' institute is being held in Omaha today (Thursday) and Friday.

Monday afternoon Police Chief Chris McGinn gave the students a talk on safety and urged his listeners to practice courtesy when driving. Larry Wanser and Brenton Wabs, who represented St. Mary's at Wayne college last Thursday for the youth leadership conference, gave reports. They presented pointers for the organization of a safety club among teenagers.

Bridge Winners—

Mrs. T. J. Liddy was hostess Sunday at a dinner bridge. Winners were Mr. and Mrs. Marvin Johnson.

Marcellus Showing Cadillacs for 1959

(News photo on page 6)

Complete new concepts of traditional Cadillac engineering and design were emphasized by James M. Roche, general manager of the Cadillac Motor Car division and vice-president of General Motors, as he announced the division's 1959 models. The Cadillacs for '59 are now on display at the A. Marcellus Chevrolet company showrooms.

"Extensive changes throughout the entire line of new Cadillac cars gave us the opportunity to bring together majestic new styling and brilliant performance to exceed even further the standards for which Cadillac has been so renowned.

"In appearance, these new Cadillacs — from the exquisitely wrought grille and hood to the beautifully sculptured rear fins — will set a new style note," Roche predicted.

"The sweeping elegance of Cadillac's newly created silhouette is more than matched by the youthful surge of the tremendously powerful new engine. This 1959 Cadillac engine," Roche said, "is the result of engineering development based on Cadillac's 45 years of expert knowledge in the creation of the V-8 type. In our new models, the power plant incorpo-

ates advanced principles of design permitting extremely smooth operation while delivering vigorous maximum power for all occasions.

"The brilliant performance of the new Cadillac engine underscores the extensive engineering improvements achieved in a major redesigning for greater displacement, a higher compression ratio, and more effective engine breathing. These important steps, together with the new carburetor heating and engine warm-up controls, provide a fully mature engine design never before achieved even in Cadillac's long history as V-8 specialists," Roche declared.

The new engine has a displacement of 390 cubic inches and a compression ratio of 10.5 to 1. It has a 4 inch bore and a stroke of 3.875 inches. The single four-barrel carburetor engine has 325 horsepower, while the "Q" engine with three-dual barrel carburetors produces 345 horsepower.

Pleased to announce another Cadillac "first" Roche said, "Cadillac has introduced a new shock absorber which, I am confident, will be a major contribution to the industry."

Mrs. Dean Johnson and sons took time out on an afternoon last week for a visit with Mrs. Albert Wittfeldt.

1,200-1,500 Cattle Expected

There will be from 1,200 to 1,500 head of cattle here today (Thursday) at our regular weekly sale.

Expected are 600-800 yearlings, heifers and steers, and some light two-year-olds. The calf consignments are of extremely good quality for this early in the season.

Our yearling selection today will be as good as you'll see all year. Hog sale starts promptly at noon.

To Wed in June

Rev. and Mrs. Wallace B. Smith, of 1309 East Ave., York, announce the engagement of their daughter, Judith Marie (above), to Robert Leroy Lawrence SN, son of Mr. and Mrs. Ray Lawrence of O'Neill. Miss Smith is now attending college at Nebraska Wesleyan university in Lincoln. Mr. Lawrence is serving in the navy and is now stationed in San Diego, Calif. A June 14 wedding is being planned.

Mrs. Homemaker! Try This:

Now that tart-juicy cooking apples are coming to market in greater abundance Bill Perry, supervisor of the local Meadow Gold Dairy offers us this good recipe for apple cheese crisp.

The recipe was created by Beatrice Cook, director of the Meadow Gold test kitchens in Chicago.

Cinnamon spiced apple slices are teamed with Meadow Gold's cream style cottage cheese. A butter-pastry topping blankets the oven-baked dessert. Serve it plain or with whipped cream.

Apple Cheese Crisp
(Makes 6 servings)
5 medium size tart apples (about 1 1/2 lb.)
2 teaspoons lemon juice
1/4 cup sugar
1 teaspoon cinnamon
1 cup cottage cheese
3/4 cup sugar
3/4 cup sifted flour
1/4 teaspoon salt
1/3 cup butter

Pare and core apples; slice into a buttered 8-inch square baking pan. Sprinkle with lemon juice. Combine 1/4 cup sugar and cinnamon; sprinkle over apple slices. Spoon cottage cheese over apple slices. Sift together sugar, flour and salt. Cut in butter until mixture is crumbly. Cover apple mixture with topping and pat down firmly. Bake at 375° for about 1 hour or until apples are tender. Cool. Cut into 2 1/2-inch squares

Arrive for Wedding —

Miss Carlene Schoenle, daughter of Mr. and Mrs. Francis Schoenle, and Miss Rita Jilg, daughter of Mr. and Mrs. A. D. Jilg, were met in Omaha Friday morning by Miss Ellen Donohoe. The girls are students in Providence school of nursing in Kansas City, Kans., and attended the Schoenle-Graham wedding Saturday. They returned to Omaha Sunday evening with Miss Donohoe and went on to Kansas City.
