### "A DIAMOND IS A DIAMOND"

What difference does it make? Yes, a diamond is a diamond and as such has IT'S value. But the thing most to be desired in a diamond is beauty, and anything that lessens its beauty LESSENS ITS VALUE. A diamond may have fine color and be flawless, but poor cutting will lessen its beauty and LOWER THE VALUE.

Each diamond we sell has been carefully LABORATORY TESTED and scientifically rated with only approved gem testing instruments.

"At McIntosh's—you must know everything about the diamond you may be thinking of buying."
