Lots of Excitement

at Burival School

ROCK FALLS — Lots of excitement in school district 33 last week. Too many things to do for one day or evening, so the activity was distributed over two or three days and evenings.

Thursday evening Miss Nina Burival had supper with the Sam Derickson family and then gathered up all the pupils (10 including Debbie Schultz, a visitor) and took them to O'Neill for a few calls of "trick-or-treats". They were quite an impressive looking group — all decked out in their various costumes.

Friday afternoon the children had a party at school, playing games and wearing costumes. They received treats from the teacher, Debbie Schultz attended school all day.
