O'Neill Loses Bid for Class B Meet

At a meeting held in Ord, school superintendents and coaches, assigned to the class B inter-district basketball playoff, St. Paul was selected as the site for the district tournament.

Schools involved in the tournament will be Ainsworth, Bassett, O'Neill, O'Neill St. Mary's, Ord, Burwell, Ravenna and St. Paul.

The group voted that it would take five votes to determine the site. Bassett was not present for the meeting but had called the superintendent from Ord and indicated O'Neill as its choice. The group voted that the first ballot but not count on subsequent ballots.

After the first ballot was cast, the following results were tabulated: O'Neill, 4; St. Paul, 3; Ord, 1.

The next ballot cut O'Neill short one vote because the Bassett vote no longer counted. This time O'Neill and St. Paul with three votes each with Ord abstaining.

The discussion then centered around selecting a site other than O'Neill or St. Paul because the group could not agree. Ainsworth and St. Mary's felt that the choice would go to Ord and cast their vote in favor of St. Paul. This gave St. Paul the five votes necessary for securing the 1959 tournament.

The coaches were interested in taking the favored Ord team off of the home court. The main objection of the south group that was raised against O'Neill as the site was inadequate seating to accommodate the class B tournament.

A class D tournament will be held here, however, during the same week in the O'Neill public school gym. The schools involved met at Page and Supt. Hock, who was selected by the NSAA as chairman of the meeting, requested that O'Neill take a class D tournament if they failed to win a class B meet.
