New Phillips "66" Station

A modern "66" station is under construction on the lots across from the Wesleyan Methodist church, on the east side of Main street in Spencer.

It will be a two-stall station with facilities large enough to service both cars and trucks inside during cold weather.

This station will have underground storage tanks sufficient to handle a full transport of gasoline at one time.

Construction work will continue throughout the winter months, providing the weather permits. Applications are being accepted.

Anyone interested in the operation of this new Phillips "66" station may write:
