Liver Sausage BraunschweigerLb. 49¢

★ Every meat cut you buy at Safeway is trimmed (trimmed before weighing, so you save money) to give you a maximum of center-portion meat. Sketch to the right shows you Sirloin steak as Safeway sells it — with heavy piece of backbone removed (note generous proportion of fine steak meat to bone!) and excess fat also removed. Safeway's meat-trimming means better eating and better value!
