**WHO BENEFITS FROM AK-SAR-BEN'S ACTIVITIES?**

Ak-Sar-Ben's buildings and grounds are a "family room" for all Nebraska. They are not used for private profit. Ak-Sar-Ben belongs to all the people of Nebraska and over 20,000 Nebraskans belong to Ak-Sar-Ben.

Agricultural activities are most prominent in the spotlight. Here, 4-H and FFA members meet to attend the world's largest 4-H Beef Show. The facilities include clean and modern supervised dormitories for hundreds of young people.

Ak-Sar-Ben's buildings are also an important part of Nebraska's agricultural educational system, the full-time headquarters for the University of Nebraska's extension services for this entire section of the state.

They also provide the Midwest's entertainment center . . . the hub of cultural events, recreational facilities and the gathering place for events of national importance.

The man on the street, the youth on the farm, people from all walks of life, from every part of the state, benefit from Ak-Sar-Ben's facilities. Ak-Sar-Ben's racing dollars make this all possible . . . all of the proceeds benefit all of the people. This is equivalent to a 100 per cent tax on racing.
