## Rough Competition For Both O'Neill Hoopsters; Ord Is 'Team To Beat'--Eagles To Face Ainsworth

Both O'Neill teams will face rugged competition Monday and Tuesday and are preparing for the class B district tournament in St. Paul.

The O'Neill Eagles will face a class B giant, Ainsworth, which has compiled a 17 win, 2 loss record for the season.

Ainsworth has everything including court savvy, height, speed and experience to back them up against the O'Neill five.

Captain Bill Edwards said, however, he expected to see the Eagles "up for the game" Monday evening.

St. Mary's Cardinals, who will

face Burwell for the first time this season, will play on Tuesday.

Coach Don Templemeyer said he "looked for trouble" from Burwell, but was "more concerned" with Ord.

"There isn't much that outfit doesn't have, and they look like the team to beat," he said.

The Ord team has played several class A squads and have compiled a 12 win, 4 loss record.

"They are the best team I've seen this year and we will have to be playing top ball all the way if we are to have a chance," he added.

Pounding Down Court

## Cards Get Third Upset--Beat Arnold; Crowd Roars As Thriller Ends 65 to 63

The Cardinals of St. Mary's pulled their third consecutive upset as they knocked off the highly favored Arnold Cardinals.

The O'Neill crowd were on their feet during the last few minutes as the 65-63 point game wound up with a story-book finish.

Tomlinson and Belina both turned in an outstanding ball game offensively and Stevens played one

of the hottest of his games this season.

SMA lead from early in the second quarter until the final 20 seconds when Trobee hit a free throw and Story and Arnold rebounded his first shot for a tie at 63 points.

Gale Stevens' long shot dropped off the side of the rim to be tipped in by Tomlinson as the buzzer sounded.

## Eagles Stopped By Valentine, Plainview; Oetter Turns In an Excellent Ball Game

The O'Neill Eagles lost two ball games during the week when they faced Valentine and Plainview.

Valentine played a "rough and tumble" ball all the way and although the Eagles got off to an excellent start in the second quarter, Valentine hit the nets for 24 points in the last quarter.

Plainview was hotter than the proverbial pistol in Tuesday's tilt and took the Eagles over the coals by a 19 point margin. The final score was Plainview 71, O'Neill 52.

One of the most creditable jobs turned in at the Plainview game came from the hands of Larry Oetter, who Coach Edwards recently placed in the center position.

Although Oetter hit only eight from the foul lane, he looked very good on rebounds in the last half of the ball game.

Brunko of Plainview struck from a pivot position like pro as he piled up 20 points before the final buzzer.

surge, will be counting on the efforts of Lambert Belina, Gene Schneider and Larry Tomlinson.

### Rock Falls News

By Mrs. Floyd Johnson

The most commonly discussed topic, the weather, seems uppermost in my mind as I try to jot down a few items. The predictions were "light snow", but for

two hours it has grown steadily heavier and has the bare patches of ground and ice completely covered.

From my window I see the chick-a-dees and two or three woodpeckers busy at the feeding hanging from the cedar boughs, while occasionally a blue-jay comes screaming on the scene, and

chases away the more timid ones.

In younger days I welcomed the snow in anticipation of good sleighing; but growing older, I've come to sort of dread it, which reminds me of a quotation I heard, "Don't resent growing old, many are denied that privilege."

The Eagle Creek 4-H club met at the Albert Widdfeld home on Sunday with all members present. They are organized now and all set for the coming year of business.

Most of the members brought their sleds and a toboggan and enjoyed some lively rides on the northern slope of a hill. It is reported there were no casualties, but some of the clothing was a little damp and had a noticeable rip or too.

Mrs. Ethel Brown was a visitor.

Mr. and Mrs. George Schobel and baby girl of Norfolk were Saturday overnight guests at the home of her parents, Mr. and Mrs. Fred Ernst and Mrs. Fanny Ernst.

On Sunday the Fred Ernst and George Schobel families and Mrs. Fanny Ernst spent the day with Louise Vitt and family. Mrs. Vitt is the former Bernice Ernst.

Gwendolyn, Trudy and Debra Schultz spent Saturday at the home of their grandparents, Mr. and Mrs. Floyd Johnson.

On Monday evening Mrs. Albert Widdfeld phoned to ask your reporter and family over to share a

freshly baked cake with ice cream and coffee and to spend the evening in friendly chatter in which everything was discussed from the days of Doc Middleton and chasing horse thieves down to the possibilities of a con chase, much more suitable to the bodily strains and fortitude of the present day settlers.
