**AK-SAR-BEN—A PROGRAM OF PROGRESS!**

All proceeds from Ak-Sar-Ben's racing dollars are used for agricultural, educational and charitable projects, and the improvement of its facilities so they may better serve the people of Nebraska.

Racing in Nebraska cannot be conducted for private profit. These proceeds go to you, your community, your state. That is why Ak-Sar-Ben—like your County and State Fairs—is exempt from taxation to enable continuation of this worthwhile statewide program that benefits more and more Nebraskans every year.

If the money providing these benefits is drained off for other purposes, Ak-Sar-Ben would be unable to support its 4-H and FFA activities, its county fair building projects, its vast educational scholarship program as well as its other charitable and cultural activities.

If you want this program of progress continued write your State Senator immediately and tell him so.
