Plucky St. Mary's Go Down 69-52; Templemyer Is Pleased With Play

A plucky but defeated St. Mary's Academy five went down to defeat at the St. Paul Class B district tournament last week at the hands of Ord, 69-52.

Coach Don Templemyer said the Ord five had played one of the best ball games of the year and that the O'Neill boys had played "better than average" ball in their defeat.

Templemyer said Ord hit the nets for 65 percent of their shots and played a tight defensive ball game.

The coach said the Ord group was leading 18 to 10 by the first quarter and poured on the steam during the next two quarters.

Goodsell for Ord hit 9 out of 12 field goals during the first half of the game and was credited by observers for making the difference between a win and defeat for Ord.

Coach Templemyer would not single out an individual Academy boy, but said all five "put a very good ball game together."

By halftime the Ord group was leading by 17 points and although St. Mary's tried to close the gap, and did to some extent during the fourth quarter, the lead was to great.

At two minutes to play, Ord was leading St. Mary's by 11 points until a last minute surge by Ord spelled the difference.

Commenting on next year's possibilities, Templemyer said St. Mary's would be "green" and small. Only two regulars will be back for the coming year, Mudloff and Stevens. Both, however, saw a lot of action this year.

Ainsworth Beaten at St. Paul

Last "B" ball team in the "Beef Empire" with any chances to go to the state tourney lost out last week when Ainsworth was defeated by Ord, 69-52.

Ord, who defeated St. Mary's earlier, continued their terrific pace in St. Paul as Goodsell dumped in 30 points to snatch away any hope that Ainsworth might have.

Coach Gene Phillips said Kraig Smith, Ainsworth's top ball handler and offensive ace had been suffering from a back injury.

"He could play only half the ball game and he suffered because of it," Phillips said. "He couldn't give the game quite all he had." Despite the injury, Smith dumped in 21 points. Wilbur Sauer hit the nets for 16 to come in second on the high scoring for Ainsworth.

Ron Nelson and Charlie Yoeman are two lettermen who will return to Ainsworth next year, Phillips said. "I look for a good season, one in which we have some good looking sophomores coming along," he added.

Inman Romps Elgin; To Stanton Regional

Coach Bill Miller's Inman Tigers defeated Elgin 45-26 at Brunswick to top the Class E District tournament. Dick Appleby led the winners with 16 points.

Inman will now enter the regional playoffs at Stanton. This tourney begins today. Two wins will mean a state tournament berth for the Tigers.

The Miller-men gained the finals at Brunswick Wednesday when they downed the host team 54-25.

To date the Holt county cagers boast a 23 win-3 loss record. This better by one win last year's 22-4 mark. In addition the Tigers have five trophies this year. They include the district tourney, the Holt county tourney, Spencer invitational, Sandhill Gateway Conference and were runnersup in the conference tournament.

The tigers have had no conference losses in two years and haven't lost a game on their home court for the same duration.

Page Hammers St. Joe; Receive District Win

St. Joe's of Atkinson took it on the chin last week as Page powered their way to a 42-34 victory over the Blue Jays for the Class D District championship.

Sheer pandemonium broke loose at the auditorium in O'Neill as Page ran up an early lead and by the middle of the second quarter was leading by 15 points.

There was no stopping the Page five as they hit over 60 percent of their field goal attempts and at least 50 percent of their foul throws.

The Class D champions, having lost almost half of their games this season, gave the crowd a surprise as they poured on the steam at the beginning and didn't let up until the buzzer sounded.

Kemper and Simmons played an excellent game for Page and controlled the rebounds the better part of the evening.

For the Blue Jays, Humpoll and Faust showed well offensively and defensively, but couldn't come up to the court savvy of the Page five.

SMA Record Is Good Despite Five Losses

St. Mary's Academy coach Don Templemyer told a Frontier reporter that despite several losses this year, the books show that the 12 win-5 loss record was one of the best in several years.

The Cards showed steady improvement as the season progressed and pulled three consecutive upsets toward the end of the season.

This year's Cardinals, a small team averaging five feet ten inches per man, relied on court savvy and control ball to keep in the running, he said.

The St. Mary's boys shot a fine 42 percent from the field for the season with Gene Schneider leading the regulars with a 50 percent tally.

Larry Tomlinson was the scoring leader with 302 points and a 49 percent attempt record.

Gale Stevens followed in the scoring column with 213 points, hitting 39 percent of his attempts.

Lambert Belina posted a 44 percent shooting average gathered 131 points followed by Larry Mudloff with 108 points at a 38 percent clip.

The season record shows defeats at the hands of Page, Spalding Academy, Ord, Niobrara and Ainsworth.

On the victory side, the Cards defeated Atkinson, O'Neill, Naper, Stuart, St. Joe Center, St. Francis, Inman, Burwell, Butte, Spencer and Arnold.

The Cards will have two regulars, Stevens and Mudloff, returning next year but will receive help from Ronnie Holly who filled in well during mid-season when some regulars were sidelined with injuries.
