Well Known O'Neill Couple Feted 50th Wedding Anniversary Held

Over 100 friends, relatives and guests met in O'Neill Sunday to help Mr. and Mrs. Andy Johnson celebrate their 50th wedding anniversary.

The day was a particularly joyous one for the couple when they found that all of their children and most of the grandchildren were present for the occasion.

The Johnsons, who were married on the 10th day of March, 50 years ago, celebrated on the eighth at Slat's Supper Club in O'Neill.

The couple spoke of many years of happiness—all of which were spent at their farm north-east of O'Neill.

Mrs. Johnson, who has also spent all of her life in this community was Mertyle Henifin before she was married.

The Johnsons have raised race horses for 22 years and plan to tour the pari-mutual system soon.

Vacation Family Return

Returning to O'Neill this week from a ten-day tour of Mexico were Dr. and Mrs. J. L. Sherbahl. The Sherbahl's drove to San Antonio, Texas, and flew from there to Mexico City where they joined the tour.

The group of twenty U. S. citizens made the trip to the coast of Mexico in touring cars on the new Pan American highway.

One of the highlights of the tour was the city of Tascos which is built on a hillside with rows of white houses set against the mountains.

Mexico is noted for its outstanding cathedrals and churches and many of these stops were for the group.

The Sherbahl's report a very warm climate in Mexico, sometimes going as high as 90 degrees during the day, and an ideal winter vacation for Nebraskans.

Members of the Auxiliary served coffee and doughnuts to the Wool Growers Association Wednesday.

AN OPEN LETTER

to those who have been considering wall-to-wall carpet!

Almost everyone, sooner or later, wants to enjoy the beauty and luxury of wall-to-wall carpet. When the day of final decision arrives, we want to be sure you will not be disappointed.

Wall-to-wall carpet should be considered as an investment in good living, but price per yard alone does not necessarily mean you will get your money's worth.

These factors include: Trained decorator advice... a choice of a large selection of colors, patterns and weaves from the finest mills in America... personalized service and flawless installation.

Economical fitting, careful seaming, proper padding, even stretching and elimination of tack marks are all elements of value to be considered for longer carpet wear and added home beauty.

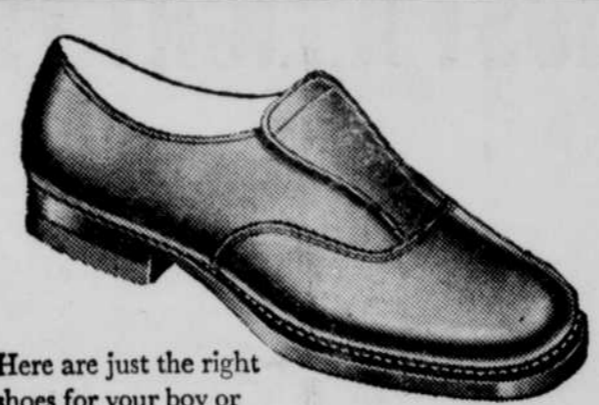

There is a great deal of difference in installation techniques. Inexpensive carpet can be properly installed to last longer, and yet the most expensive carpet in the world can be hopelessly marred by improper treatment.

If you have been considering wall-to-wall carpet, you owe it to yourself to investigate the many "plus values" to be found in our fine quality installation and permit us the opportunity to guarantee your lasting satisfaction.
