**Big Crowd at Community Concert Monday Night**

Many Community Concert goers enjoyed Lola Montes and her Spanish dancers in spite of the weather. A capacity crowd filled the O'Neill high auditorium Monday night for the third and final concert of the Community Concerts 1938-39 season.

Headed by the lovely Lola herself, the company presented a wide range of authentic Latin dances, from lovely Spanish classical dances to the fiery Flamenco, from folk dances of old Spain to the traditional dances of the natives of many Latin countries in the New World. And the colorful costumes, designed and executed especially for Lola Montes, made the evening an eye-filled spectacle.

Senorita Monte's company of dancers included Miguel Santos, who appeared in the movie "Around the World in 80 Days". Diego Carrillo, who reached his stardom as the star of the National Date Festival in California. Olga Martin, the youngest of the group has appeared many times on network T.V. Luisa Orona, comes from the concert stage, supper clubs and T.V. Maria Lara's prime interest was first in the art of bull fighting and now has turned to the serious type of dancing. Armando Felix pianist for the group, is also a producer, director in the dance world.
