Dorsey News

By Mrs. Harold Osborn  
On Monday evening a meeting was held at the Osborn school house, in regards to instructions on the R.T.A. telephone line. Mr. Smith explained the need of getting the trees cut and trimmed as soon as possible so the engineer could get his crew to work.

Captains were chosen for four groups and two of the groups decided to start work at once. One group started work on April 1 and completed their contract, the other group started Friday and have completed their project. On Monday we others expect to do some of their cutting. If things progress as expected the tree cutting will be completed within 2 weeks.

The people in this community are looking forward to the day when they can contact some of the outside towns, like they could several months ago.
