4-H, Pets, Jubilee to Feature Parade
Past, Present Theme for Hay Days
ATKINSON—Plans are underway for the annual hay days 4-H and children's pet parade at Atkinson to be held at 10 a.m., Monday, August 8. It will be a combination of club floats and clothing styles presented by the children to portray Atkinson's 75 years of progress.
All 4-H, civic, project or garden clubs are encouraged to enter a float. The theme of the 75th anniversary parade will be the contrast and comparison of the past and present.
The parade committee suggests that floats be based on historic developments such as pioneer days, the gay nineties, the golden twenties. Prizes for floats are \$20 first, \$15 second, and \$10 third.
The children's divisions are dolls, tricycles, bicycles, dogs and cats, miscellaneous pets, wagon floats and ponies. The committee requests that all children be in some type of costume that coincides with the 75 years of progress theme.
The costumes may represent pioneer children, Indians or be of a style that is even more recent but presents a contrast to today's type of clothing. The prizes in each division are \$2.50 first, \$1.50 second, and \$1.00 third.
Clubs or individuals who wish to take part in the parade are asked to contact either Lois Puckett, phone 21-F31, O'Neill, address Emmet, or Caroline Skopec, phone 5411, Atkinson Graphic office.
Entries, which include the title of the float and the group sponsoring it, must be placed by Wednesday evening, August 3. The children's entries, which include the child's name and the division he is in, must be placed by Sunday evening, August 7. Officials will be glad to give suggestions for float designs and for children's costumes in the pet parade.
