Pirates' Long Runs Wreck O'Neill Opener

Fullback Prange Runs Wild for Victors

Coach Marv Miller, starting his eighth term as grid coach at O'Neill high, took his Eagles to Plainview Friday night. He also took along a crying towel.

Miller had dourly predicted his young Eagles would be lucky if they registered one first down against the veteran Plainview Pirates, who lost only two last spring by graduation.

Plainview won it, 25-0, but it would have been a dandy game except for Fullback Ed Prange's running which broke the Eagles' backs. Instead of one first down, however, the Eagles racked up 10.

The Blues drove to the Plainview 15-yard-line in the opening quarter. The Plainview line tightened and the O'Neill crew lacked offensive punch. Plainview thwarted the threat, took over and on the fourth running play sprung Mr. Prange for 80 yards and the first touchdown.

the ends and secondary were ragged and weak.

Showing well in the line were Center Roger Niemever, Guard Jim Tomlinson, Tackles Bob Burial and Gordon Fox.

Coach Miller summed up the defeat by saying his offensive attack was "ragged and green" and declaring the tackling, particularly in the secondary, "left a lot to be desired."

Miller believes the Plainview team, however, might rate as the toughest opponent of the season.

"We did show a few bright spots," Miller continued, "but we need a lot of work."

The Eagles will entertain Rock county high (Bassett) Friday night in Carney park in a North-Central league game. Bassett was rocked, 0-25, by Ewing Friday night at Ewing in an opener.

Coach Dean Webb at Plainview has 14 lettermen in a class of 55 candidates.

Number 2 on the Pirates' schedule is South Sioux City. The game will be played Friday at South Sioux City.

Creighton Wins 7-0 Over Atkinson

CREIGHTON—The Creighton Maroons punched across a fourth quarter touchdown Friday night to turn back the invading Atkinson Balers, 7-0.

A Maroon back broke over his own left tackle, cut to the right and raced about 35 yards to pay dirt. The conversion was good and that ended the scoring.

Both teams looked ragged both offensively and defensively in the season's opener for each club.

Norfolk 6, Valentine 0

NORFOLK — The Norfolk Panthers won a thriller, 6-0, over the Valentine Badgers here Friday night. Valentine is a member of the North-Central league.

Spencer Pirates in Handy Victory

Cards Subdued by Potent Visitors

The Spencer high Pirates, all potent in every department, handed the St. Mary's academy Cardinals a 32-0 lacing in Carney park here Friday night. It was the season's opener for both teams, which are members of the newly-formed Niobrara Valley eight-man football league.

A large crowd witnessed the opener, including a large Boyd county delegation.

But the Pirates' running attack featured the hard and elusive running of Norman Klasma, a 160-pound dandy. Klasma is a senior halfback.

The alert Pirates took advantage of numerous Cardinal bobbles to rack up five touchdowns and two extra points.

Golden Again Wins City Gold Crown

(Photo at right)

M. J. ("Max") Golden, perennial champ or runnerup in the citywide golf tourney, successfully defended his crown. He defeated A. P. Jaskowiak, 5-4. Sunday in the final match of double-elimination play in the championship flight.

Jaskowiak, likewise a former champion, has met Golden in the finals on numerous occasions, but Golden extended his lead in this ancient rivalry.

Golden breezed through the title match three under par for the first 15 holes.

The title match signaled the end of a successful season at the club.

Audubons to Watch Last Crane Flock

The world's last flock of whooping cranes will soon be on the move again! Their fall migration from Canada to Texas—always a dramatic event—will have new significance this year.

For the first time in the history of recent efforts to preserve this rarest of North America birds, the exact breeding grounds of some of the birds are known and young-of-the-year have been observed and counted prior to their departure southward. This means that wildlife officials will be able to determine more accurately than ever

Ewing Tigers Hit Bassett Crew, 25-0

Rock Team Threatens Only Once

EWING — The Ewing high school Tigers defeated Bassett's Rock county high school footballers, 25-0, Friday evening at Ewing.

The EHS boys opened the game with a pair of TD's in the initial quarter and one each in the third and fourth frames. Jack Sisson, 150-pound junior who quarterbacked the Ewing team, went two yards on a sneak to get the first points. Almost before the fans had caught their breath, Ewing had scored again. Ewing had kicked off to Bassett after the first TD and the Rock county team had returned the ball to their 25. There was a fumble and Gene Koenig, Ewing senior left guard, recovered on the opponent's 15, and went over for six points.

Bob Hobbs scored on a 16-yard run after a pitchout from Sisson in the third quarter. He duplicated the performance in a 12-yard run in the fourth period. Ewing made its only extra point in the final frame when Bob Hobbs scampered across the line.

Bassett threatened only once. In the first quarter, the Rock county visitors recovered a fumble on the EHS 40 and completed a pass to the Ewing 10. The local

The alert Pirates took advantage of numerous Cardinal bobbles to rack up five touchdowns and two extra points.

The Cardinals' lone offensive threat was Tom Schneider, 175-pound junior half back. Burl Tom carried 12 times and picked up a total of 62 yards.

Numerous offside and backfield-in-motion penalties hampered Coach Don Templemeyer's crew and broke up any possible scoring drives.

Templemeyer's kids who are being rebuilt, had lots of spirit but couldn't stem the Pirates' power or punch the Spencer defense.

Klasma received one pass early in the game which would have netted a TD except that it was called back because of illegal formation.

The initial Spencer tally came when Klasma raced 38 yards around his own left end. Soukup accounted for TD number 2 when he plunged from the SMA 2. Friedrich plunged for the third touchdown and the half ended, 20-0.

Klasma scored again early in the third period, crashing over from close-in. He tallied again in the fourth by circling left end.

By this time the Pirates had built a 32-0 margin and that's the way the game ended.

Spencer collected six first downs, St. Mary's five. The visitors outgained the Cards, 131-102. The Scarlet failed to net any yardage in the air while Spencer picked up 53. Total yards gained, according to the record, showed Spencer with 18 and SMA, 102.

Mrs. Bud Cole Wins Women's Golf Title

Mrs. G. Owen ("Bud") Cole of Emmet defeated Mrs. A. P. Jaskowiak of O'Neill, 3-2 to win the women's golf tourney in progress for three weeks at the O'Neill Country club. The title match was played Sunday.

Mrs. H. D. Gildersleeve defeated Miss Nyla Jaskowiak, 1-up in an extra hole for consolation honors in the championship flight.

Mrs. Gildersleeve and Miss Jaskowiak tied for medalist honors, both turning in 55's.

before the nature and extent of any losses along the 2,500-mile migration highway, which includes north-central Nebraska.

This past summer field biologists of the Canadian Wildlife Service, U.S. Fish and Wildlife Service, and National Audubon society succeeded in locating what is apparently the bulk of the breeding flock of whooping cranes in a remote wilderness in northwest Canada, thus ending a 10-year search. In addition to aerial surveys, a ground party, after a month of failure, finally reached the vicinity of the nests and made important studies of the general habitat and its wildlife.

In subsequent surveys from the air a total of five young whooping cranes had been counted as of the first week of August — youngsters that were hatched in June.

AUGUST 26

On August 26th, The 100,000th Electric Customer Was Added To Consumers' Lines In The Consolidated Eastern System!

(Exclusive of 16,000 Western System Customers)

Almost on the 16th Anniversary of the organization of Consumers Public Power District, the number of customers served in the Consumers Consolidated Eastern System reached an all-time high of 100,000! This represents approximately a 43% increase in customers throughout an area extending from Dakota City, in the northeast corner of the state, to Orleans in south-central Nebraska, and from Plattsburgh, in the east, to Cody on the northwest border.

This is in addition to the District's 16,000 customers served by the Western System where a similar growth has also been experienced.

Typical of the community progress enjoyed by towns throughout the state served by Consumers, these 100,000 customers represent a total population comparable to a city of approximately 350,000!

It is indeed gratifying to see such progress exemplified by the agricultural, industrial and commercial expansion so prevalent throughout Nebraska, in which electricity plays so important a part.

It is our aim to continue to plan for the further development of dependable, low-cost electric service throughout the area so vital to continuing this growth and expansion.
