

Snowplow Tosses Clouds of Snow

ROCK FALLS—"Sorry I didn't get around to the news column last week, and, due to the storm, there was no activity around the neighborhood over the weekend," according to Mrs. Floyd Johnson, The Frontier's Rock Falls correspondent. "Therefore, no news, so we may as well include some that should have appeared in the last issue," she added. "The road maintainer tossing clouds of snow to either side gives one a feeling of relief as once more the road is open for those who have occasion to use it. At least, we don't feel quite so fenced in!"

Brazil Nuts In Poultry Stuffing

Brazil nuts chopped with all their creamy richness contribute a provocative flavor and texture to poultry dressings. This dressing truly creates as much interest and praise as the turkey.
When baking one of the smaller turkeys this holiday season, part of the dressing can be served as a side dish. The turkey cavity will probably not hold an adequate supply for all guests. This extra portion can be baked in aluminum foil the last hour the turkey is in the oven. Put the envelope of dressing in the corner of the roasting pan with the turkey.
Just as there is news in the smaller turkeys, there is new interest in a Brazil nut, raisin and bread crumb stuffing. The nuts and raisins give moistness to the bread crumbs, and this fruit-nut addition doubly steps up the flavor.

- BRAZIL NUT RAISIN STUFFING**
- 1/2 cup butter or margarine
 - 1/2 cup finely chopped onion
 - 2 1/2 cups soft bread crumbs
 - 2 cups finely chopped Brazil nuts
 - 2 cups finely diced celery
 - 1 1/2-2 pound turkey
 - 2 cups raisins
 - 1/2 cup chopped parsley
 - 1 tablespoon salt
 - 1/4 teaspoon pepper
 - 1/4 cup water or stock

Melt butter, add onion and cook until onion is tender, but not brown. Add bread crumbs, Brazil nuts, celery, raisins, parsley and seasonings. Cook about 5 minutes over medium heat, stirring constantly. Add water or stock, toss lightly. Stuff turkey with part of the stuffing. Put remaining stuffing in center of square of aluminum foil. Fold and press sides tightly together. Roast turkey. Place aluminum-wrapped stuffing in oven during last hour of roasting. YIELD: 10 cups.
