Voters & Taxpayers
Of the First and Third Wards of O'Neill, Constituting the First Supervisor District of Holt Co.
My name will appear on the Primary Ballot August 10, 1934, as a Republican candidate for Supervisor from the First District. There are two important duties that a Supervisor owes his constituents, each affecting the amount of taxes he pays: First, vote for the least amount of a yearly budget for the county that will insure an efficient administration of the county business. This I will do.
Second, in the equalization of the county assessor's valuations of all kinds of property each year, advocate and vote for such an equalization and adjustment of them that the property of each taxpayer will take a fair and reasonable valuation, and the amount of tax he pays will be in proportion to value of his holdings. This I will do.
I believe that the knowledge of valuations acquired over 40 years writing insurance, ten years as local and eight years county assessor, qualifies me to determine valuations.
I respectfully and earnestly request you to vote August 10 for me as Supervisor from the First District.
