Register for Off-Campus Course—

An off-campus class from the University of Nebraska will meet for registration Monday, August 2, 9 a.m., at the O'Neill public school. The class is education 52 oc. "Every Teacher's Problems," a three-hour course which will meet every day for three weeks. Doctor Childs will be the instructor. The teaching of arithmetic is to be stressed in this class, according to Miss Alice French, Holt county superintendent of public instruction.

The testing for kindergarten children who will be 5-year-old sometime between October 16 and January 1, 1955, is to be done in Holt county during the week August 9-13. Application cards may be obtained at the office of the county superintendent and these should be returned as soon as properly signed. Remember, there is no test for the first grade so if your child is in this age group (and you want him tested) the testing must be taken care of for kindergarten, Miss French explained.
