Fair Dates Are Fixed in Advance—

Fair dates are established well in advance—usually about seven months ahead of the exposition. This is necessary in order to insure there will be no conflicts with other nearby fairs and celebrations and also enables exhibitors and persons called upon for entertainment to plan accordingly.

This year's fair is two weeks earlier than usual. It falls during the busy season in Holt county—one of the principal hay-producing counties in the world.

However, the rodeo entertainment is scheduled under the lights at night, enabling a maximum number of persons to attend.

Rock Fair Will Run August 6-8—

BASSETT — The 34th annual Rock county fair at Bassett will open Friday, August 6, and continue through Saturday and Sunday. A large parade has been scheduled for 10:30 a.m., Saturday. The Bassett band, under the direction of Chester Stockwell, will provide music.

Boyd County Fair Opens August 30—

SPENCER—Entry day at the Boyd county fair at Spencer is Monday, August 30. A parade at 1 p.m., on Wednesday, September 1, will be one of the fair highlights.

The first New Zealand legislature met in Auckland in 1854, but Wellington has been the capital since 1865.

In 10 years of active duty the battleship Missouri steamed half a million miles.
