

6,000 Servings of Flapjacks Produced

Over six thousand servings of pancakes were dished out Tuesday by O'Neill businessmen as guests of the city filled through the Knights of Columbus hall to claim their free flapjacks with all the trimmings. Photo shows a typical view of the proceedings. This was the third annual pancake day here, sponsored by the Chamber of Commerce.—The Frontier Photo.

Holt Agent Is Award Winner

A. Neil Dawes Cited at Salt Lake

A. Neil Dawes, Holt county extension agent, was given a distinguished service award at the national meeting of county extension agents recently held in Salt Lake City, Utah. Ed Bay, county agent from Illinois and chairman of the awards committee, made the presentation. Eight hundred agents from 47 states attended. There were 86 agents in the U.S. who received this award, besides Mr. Dawes. Randall Peterson of Harlan county was the only other Nebraska recipient.

This award is given to agents who have completed at least 10 years of service and have carried out an outstanding extension program in their counties. Not more than two percent of the agents may receive the award in any one year.

Some of the outstanding phases of Dawes' work were cited: The large and balanced 4-H and older youth program, which ranks near the top in the state; the organizational work such as organizing the

REA district, making it possible for ranchers and farmers to have electricity; grassland research program, whereby the local ranchers, farmers and businessmen contribute \$1,000 per year for a five-year period to be used for native grassland research with emphasis on fertilization of native meadows and pastures.

As a result of early work of 1945 to 1950 and his continued and "tireless effort," Dawes succeeded in getting basic research work done in Holt county.

His county helped start a statewide grassland research program. Dawes came to Holt county February 1, 1945, and is now completing 10 years here. Prior to coming to Holt, he served three years as Boyd county agent. He was born and raised on a farm near Osceola. Mrs. Dawes is the former Audrey Swan of Shelby. They have a family of five boys—Perry, Larry, Marvin, David and Lloyd. Mrs. Dawes is completing her 13th year as a 4-H club leader.

Dawes said: "This award could not have been given to me had it not been for the fine leadership and cooperation of the people of Holt county. It is most gratifying to see the fine cooperation of individuals and organizations in helping make and carry out a good extension program in Holt."

Others attending the national

meeting from north Nebraska were: Robert Weir, agent of Cedar county; Howard Gillespie, agent of Dixon county, and Mr. and Mrs. Harold Ingles of Wayne county.

Secretary of Agriculture Ezra Benson of Washington, D.C., and C. M. Furgerson, U.S. director of extension, spoke.
