An Open Letter

TO : The Citizenry of O'Neill
SUBJECT: Donations for New Christmas Street Decorations.

The O'Neill Chamber of Commerce is sponsoring a drive to raise funds for the purchase of new Christmas street decorations. We are enlisting the help of all Churches, clubs, civic organizations, business and professional people, and individuals.

The decorations purchased with this money will be a versatile type that can be used year after year with some variation. If we can raise enough money this year to buy all the decorations there will be no need for further drives in the foreseeable future. However, if our drive falls short of the required amount of revenue, we plan to use the money collected by buy fewer decorations, and use these as the nucleus of a long range program. Each year we would have a subsequent drive until we have enough fixtures to properly decorate our town.

We would like to have you send us your check in whatever amount you like. No amount is too small. We feel that your willingness to donate is worth as much as the donation. We will publish a list of all donors, but not the amount of the donations.
